Sinners And Citizens Bestiality And Homosexuality In Sweden 1880 195:

Historical Dictionary of Sweden Elisabeth Elgán, Irene Scobbie, 2015-09-17 Sweden s transformation in the last century was brought about not by the military prowess of exceptional Swedes indeed neutrality has been a key element in Swedish policy for almost two centuries but by the creative ability of its people Sweden has emerged as a model welfare state and a well ordered democracy to which economists sociologists feminists architects and scientists from sophisticated nations have paid study visits Sweden now depends on international trade to preserve its high standard of living and in a world of harsh international competition often has to struggle to maintain its welfare system and its reputation Despite its present difficulties however it remains one of the world's most advanced and affluent democracies This third edition of Historical Dictionary of Sweden contains a chronology an introduction appendixes an extensive bibliography and a dictionary section with more than 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Sweden

Queer Identities and Politics in Germany Clayton J. Whisnant, 2016-06-28 Germany in the late nineteenth and early twentieth centuries witnessed key developments in LGBT history including the growth of the world's first homosexual organizations and gay and lesbian magazines as well as an influential community of German sexologists and psychoanalysts Queer Identities and Politics in Germany describes these events in detail from vibrant gay social scenes to the Nazi persecution that sent many LGBT people to concentration camps Clayton J Whisnant recounts the emergence of various queer identities in Germany from 1880 to 1945 and the political strategies pursued by early homosexual activists Drawing on recent English and German language scholarship he enriches the debate over whether science contributed to social progress or persecution during this period and he offers new information on the Nazis preoccupation with homosexuality The book s epilogue locates remnants of the pre 1945 era in Germany today **Oueer Voices in Post-War Scotland** J. Meek, 2015-05-18 This book examines the experiences of gay and bisexual men who lived in Scotland during an era when all homosexual acts were illegal tracing the historical relationship between Scottish society the state and its male homosexual population using a combination of oral history and extensive archival research Stagg vs. Yost John Kryk, 2015-07-16 Corruption scandals and reports of wrongdoing in college football are constantly in the news From Penn State's Joe Paterno to Ohio State's Jim Tressel we have come to learn that some of the most lauded coaches don't always live up to their saintly reputations Perhaps no era of college football was ever more emblematic of this than the early 1900s a time when coaches worked the system with merciless flair to recruit the best players and then keep them eligible to play even while other coaches were trying to steal already enrolled players from rival universities Amos Alonzo Stagg of the University of Chicago and Fielding H Yost of the University of Michigan were no exception and their bitter rivalry is one for the ages In Stagg vs Yost The Birth of Cutthroat Football John Kryk brings to life a story that is both timeless and familiar to all football fans

indeed to all sports fans one man's obsession to end the pain of a long losing streak to a hated rival This is the story of how Amos Alonzo Stagg covertly punted many of the principles he espoused in order to dismantle one of the most powerful machines the game has known Fielding Yost's Michigan Wolverines Kryk reveals the extent to which Stagg schemed to achieve victory against the Point a Minute Wolverines and the lengths Yost went to prevent that from happening In addition this book provides insight into college athletics corruption as a whole during this time from under the table payments to recruits to contracted loans from wealthy boosters and why the current NCAA rulebook contains page after page of recruiting and eligibility regulations Featuring never before published internal correspondences of UM athletic leaders Stagg s surviving letters and notes and reports from newspapers of the day Stagg vs Yost brings fresh insight into two legends of college football who would do almost anything to win This book is a noteworthy and fascinating narrative for football fans historians and anyone interested in seeing where cutthroat college recruiting and coaching all began Animal Ann-Sofie Lönngren, 2015-09-10 Literary transformations from human to animal have occurred in myths folklore fairy tales and narratives from all over the world since ancient times and have always provided a narrative space for depictions of power agency and the radical nature of change In Following the Animal these transformations are analysed with regards to their use in modern literature from northern most Europe with specific attention being paid to the insights they provide regarding the human animal relationship both generally in the industrialized West and against the background of more specific circumstances in the Nordic area In three analytic chapters focusing respectively on Swedish author August Strindberg s novel Tschandala 1887 Finnish author Aino Kallas s novel The Wolf s Bride 1928 and Danish author Karen Blixen Isak Dinesen's short story The Monkey 1934 along with discussions of a range of other authors and texts the reader is introduced to several traditions of literary production that both connect to and differ from Anglophone and other literature in fascinating ways In addition to the insights it provides concerning the uses of human animal transformations in modern Nordic literature and their significance in relation to the question of the animal Following the Animal also offers literary scholars and students alike a series of useable and transferable strategies for approaching texts from a more than anthropocentric human animal studies perspective In phrasing and employing the interpretational method of following the animal over the text s surface up metaphorical elevations down material wormholes and in constant dialogue with previous research this book contributes greatly to both human animal literary studies specifically and to the field of literary scholarship generally in both an international and northern European context Atopic Dermatitis and Eczematous <u>Disorders</u> Donald Rudikoff, Steven R. Cohen, Noah Scheinfeld, 2014-03-06 It is estimated that around 15% of the population suffer from atopic dermatitis or eczematous disorders at some point in their lifetime causing a significant percentage of visits to dermatologists primary care physicians and allergists Despite much current research interest the pathophysiology of these disorders and their optimum treatment rem Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur
