Racist Anthony Slide,2004-09-10 Thomas Dixon has a notorious reputation as the writer of the source material for D W Griffith s groundbreaking and controversial 1915 feature film The Birth of a Nation Perhaps unfairly Dixon has been branded an arch conservative and a racist obsessed with what he viewed as the Negro problem As American Racist makes clear however Dixon was a complex multitalented individual who as well as writing some of the most popular novels of the early twentieth century was involved in the production of some eighteen films Dixon used the motion picture as a propaganda tool for his often outrageous opinions on race communism socialism and feminism His most spectacular production The Fall of a Nation 1916 argues for American preparedness in the face of war and boasts a musical score by Victor Herbert making it the first American feature film to have an original score by a major composer Like the majority of Dixon s films The Fall of a Nation has been lost but had it survived it might well have taken its place alongside The Birth of a Nation as a masterwork of silent film Anthony Slide examines each of Dixon s films and discusses the novels from which they were adapted Slide chronicles Dixon s transformation from a major supporter of the original Ku Klux Klan in his early novels to an ardent critic of the modern Klan in his last film Nation Aflame American Racist is the first book to discuss Dixon s work outside of literature and provide a wide overview of the life and career of this highly controversial twentieth century southern populist Anthony Slide is the author of numerous books including Silent Players A Biographical and Autobiographical Study of 100 Silent Film Actors and Actresses **Thomas Dixon Jr. and the Birth of Modern America** Michele K.
