

By Author of "Captain of the Jarizaries," "Deborah," etc.

**D**R. LUDLOW'S novel is a drama of inner conscience, as well as a thrilling story of outward adventure. The great plot of Sir Raoul and the romance of the Lady Renee, are based upon the historical facts concerning the miscarriage of that crusade of the XIIIth Century which was diverted from conquering the Moslems to the capture of the Christian city of Constantinople. The love story that runs through the whole gives a picture of a woman whom one can never forget.
