*Sirens & Graces* Lawrence Garber,1983      **The Female Student** Mrs. Lincoln Phelps,1836      **Reading in the Byzantine Empire and Beyond** Teresa Shawcross,Ida Toth,2018-10-04 Offering a comprehensive introduction to the history of books readers and reading in the Byzantine Empire and its sphere of influence this volume addresses a paradox Advanced literacy was rare among imperial citizens being restricted by gender and class Yet the state s economic religious and political institutions insisted on the fundamental importance of the written record Starting from the materiality of codices documents and inscriptions the volume s contributors draw attention to the evidence for a range of interactions with texts They examine the role of authors compilers and scribes They look at practices such as the close perusal of texts in order to produce excerpts notes commentaries and editions But they also analyse the social implications of the constant intersection of writing with both image and speech Showcasing current methodological approaches this collection of essays aims to place a discussion of Byzantium within the mainstream of medieval textual studies      *Mefistofele* Arrigo Boito,1920

**Libretto of Mefistofele** Arrigo Boito,1920      *Margaret Atwood* Reingard M. Nischik,2000 Novelist poet cultural critic Margaret Atwood is one of the most fascinating versatile and productive authors of our time a superb writer in any genre she chooses to tackle This book was prepared on the occasion of Atwood s sixtieth birthday in November 1999 Its first aim is therefore to take stock of Atwood s multifarious works and international impact at the height of her creative powers Secondly the book serves as a wide ranging introduction to the writer and her works Fifteen informative articles written specifically for this volume by Atwood specialists from Canada the USA the UK Germany and France treat her life and status her works up to date survey articles on Atwood s novels short fiction poetry and literary and cultural criticism and important approaches to her works from the standpoints of gender politics mythology ecology popular culture constructivism and Canadian nationalism A final section on creativity transmission and reception includes an interview with Atwood on creativity statements by some of Atwood s important transmitters including publishers editors literary agents and translators and some 15 statements by Atwood s fellow writers in which they explore her importance for them A number of photographs of Atwood several cartoons drawn by her an up to date bibliography of works by and about Atwood and an index round out the volume Reingard M Nischik is Professor of American literature at the University of Konstanz Germany      *In the Presence of Power* Maurice A. Pomerantz,Evelyn Birge Vitz,2017-12-05 Insights into power spectacle and performance in the courts of Middle Eastern rulers In recent decades scholars have produced much new research on courtly life in medieval Europe but studies on imperial and royal courts across the Middle East have received much less attention particularly for courts before 1500AD *In the Presence of Power* however sheds new light on courtly life across the region This insightful exploratory collection of essays uncovers surprising commonalities across a broad swath of cultures The pre modern period in this volume includes roughly seven centuries opening with the first dynasty of Islam the Umayyads whose reign marked an important watershed

for Late Antique culture and closing with the rule of the so called gunpowder empires of the Ottomans and Safavids over much of the Near East in the sixteenth century In between this volume locates similarities across the Western Medieval Byzantine and Islamicate courtly cultures spanning a vast history and geography to demonstrate the important cross pollinations that occurred between their literary and cultural legacies This study does not presume the presence of one shared courtly institution across time and space but rather seeks to understand the different ways in which contemporaries experienced and spoke about these places of power and performance Adopting a very broad view of performances In the Presence of Power includes exuberant expressions of love in Arabic stories shadow plays in Mamluk Cairo Byzantine storytelling religious food traditions in Christian Cyprus advice and political and ethnographic performances of power

Court Ceremonies and Rituals of Power in Byzantium and the Medieval Mediterranean ,2013-09-19 Publicly performed rituals and ceremonies form an essential part of medieval political practice and court culture This applies not only to western feudal societies but also to the linguistically and culturally highly diversified environment of Byzantium and the Mediterranean basin The continuity of Roman traditions and cross fertilization between various influences originating from Constantinople Armenia the Arab Muslim World and western kingdoms and naval powers provide the framework for a distinct sphere of ritual expression and ceremonial performance This collective volume placing Byzantium into a comparative perspective between East and West examines transformative processes from Late Antiquity to the Middle Ages succession procedures in different political contexts phenomena of cross cultural appropriation and exchange and the representation of rituals in art and literature Contributors are Maria Kantirea Martin Hinterberger Walter Pohl Andrew Marsham Björn Weiler Eric J Hanne Antonia Giannouli Jo Van Steenbergen Stefan Burkhardt Ioanna Rapti Jonathan Shepard Panagiotis Agapitos Henry Maguire Christine Angelidi and Margaret Mullett Siren's Lure Renee Pace,2021-07-10 Siren's Lure A Mermaid's Tale of Secrets High School and the Chilling Depths of the Unknown Unravel a web of mystery as a teenage mermaid battles sinister forces confronts her siren heritage and races against time to save her kidnapped parents from the clutches of an evil Sea Witch In a twist of fate I drowned and everything changed From the abyss I emerged not as a victim but as a mermaid My parents hush about the incident drowning my confusion in anti psychotic pills But I can't forget High school is a torment and my newfound ability to sense thoughts pushes everyone away except Ash a heartthrob hallucination turned real who claims I'm a long lost siren princess As strange events unfold my parents are kidnapped and Ash becomes my protector though doubt lingers The hockey team's captain seeks more than friendship and my life spirals out of control I am determined to free my parents even if it means returning to the ocean depths Juggling high school and unraveling my mysterious powers I discover a sinister Sea Witch threatening my family and the entire ocean realm Time races against me I'll fight even if it means confronting the chilling Atlantic Amidst the chaos I cling to the hope that this isn't a psychotic episode praying to wake up with legs instead of a tail In this thrilling race against destiny I must learn to control my powers
