It has been said that we all have one. If so, will we know when our calling has arrived, even more importantly, will we know how to deal with it? There is also a saying that you are a product of your environment. If that is the case, does that mean if you are raised in an environment that is associated with a lot of violence, such as gangs, shooting, and killings, that will be your destiny also? Some say that is the case. In this story, Jaw Long and Frank, both products of their environment, had been involved in the gang's shootings and killings. Will they crush that saying and will they prove all the nay-sayers wrong? And along with their family and friends, they will hear their calling and they will succeed in fulfilling it. And any person or persons that try to interfere or derail what they are trying to do or messes with their family will regret it. Jaw Long escapes the Chinese Mafia. Jaw Long, a master ninja assassin, and his best friend Tao are sitting in a warehouse discussing getting out of the Chinese Mafia. The problem is the only way out is death for you and your family. Unbeknownst to them, Yingpei Fong, who resented Jaw Long and is the son of the leader of the Chinese Mafia, was hiding in the shadows listening. After they discovered his presence, he tried to run to inform his father, and Jaw Long caught up to him. A fight ensued. Yingpei was killed, and panic takes over Jaw Long and Tao. Jaw Long concluded that now is a better time than ever to escape the Chinese Mafia, so he disappears. Jaw Long meets with Frank in America, and an unbreakable bond is formed. Jaw Long, his wife, and son now live with Frank, his wife, and their three kids. They consider themselves family, not friends, and they have a very strong spiritual bond. The fact that they are different races is not a factor at all. Along with their friends, they now own the largest martial arts school in the area, as well as a very successful clothing store. The Chinese Mafia catches up to Jaw Long more than twenty years later and wants him dead. But they would have to go through his family in America to get to him. Then Chinese Mafia discovers Jaw Long is alive and well and come for him in America. While Jaw Long and Frank are away, the Chinese Mafia attacks their martial arts school, killing a family member and seriously injuring three others. Frank's wife is poisoned while

Jaw long s wife is kidnapped and taken back to China The Chinese Mafia has made a huge mistake as they will soon find out you don t mess with their family
