*SISTERS IN CRIME 4*, 1991      *Contemporary American Crime Fiction* Hans Bertens, T. D'haen, 2001-10-25 This highly accessible lively and informative study gives a clear and comprehensive overview of recent trends in American crime fiction Building on a discussion of the immediate predecessors Bertens and D'haen focus on the work of popular and award winning authors of the last fifteen years Particular attention is given to writers who have reworked established conventions and explored new directions especially women and those from ethnic minorities      **In Lady Audley's Shadow** Saverio Tomaiuolo, 2010-10-05 This book is devoted to Mary Elizabeth Braddon's complex relationship with the three main Victorian literary genres the Gothic the Detective and the Realist novel Using Braddon's bestselling sensation fiction *Lady Audley's Secret* as a paradigmatic novel and as a haunting textual presence across her literary career this study provides a fertile critical reading of a wide range of Braddon's novels and short stories Through an analysis of Braddon's negotiations with Victorian narrative ideological and cultural issues this monograph offers readers a refreshing view of gender female identity and subjectivity the treatment of insanity questions related to technology and progress the impact of evolutionism and Darwinism the intersemiotic dialogue between pictorial art and novel writing the role of the female writer in the new literary market and the changing notion of capital in an increasingly fluid social context Braddon's manipulation of Victorian literary codes and conventions proves that she was something more than a mere sensation writer and that her primary role in the nineteenth century literary scene has to be reaffirmed Drawing on a wide range of textual materials and literary sources the book foregrounds Braddon's constant and sometimes ambivalent dialogue with her times and with ours as well      **Mystery Women** Colleen Barnett, 2010-03 Edgar and Agatha nominated author Colleen Barnett here updates her essential reference for readers and writers of mystery examining women who detect women as sleuths and the evolving roles of women in professions and in society      **American Woman, Italian Style** Carol Bonomo Albright, Christine Palamidessi Moore, 2011 With writings that span more than thirty five years *American Woman Italian Style* is a rich collection of essays that fleshes out the realities of today's Italian American women and explores the myriad ways they continue to add to the American experience The status of modern Italian American women in the United States is noteworthy their quiet and continued growth into respected positions in the professional worlds of law and medicine surpasses the success achieved in that of the general population so too does their educational attainment and income Contributions include Donna Gabaccia on the oral to written history of cookbooks Carol Helstosky on the Tradition of Invention an interview with Sandra Gilbert Paul Levitt's look at Lucy Mancini as a metaphor for the modern world William Egelman's survey of women's work patterns and Edvige Giunta on the importance of a selfconscious understanding of memory There are explorations of Jewish Italian intermarriages and interpretations of entrepreneurship in Milwaukee Readers will find challenges to common assumptions and stereotypes departures from normal samplings and springboards to further research *American Woman Italian Style* Italian Americana's

Best Writings on Women offers unique insights into issues of gender and ethnicity and is a voice for the less heard and less seen side of the Italian American experience from immigrant times to the present Instead of seeking consensus or ideological orthodoxy this collection brings together writers with a wide range of backgrounds outlooks ideas and experiences It is an impressive postmodern collection for interdisciplinary studies a book and a look about being and becoming an American

*Men Alone* Jopi Nyman,2022-02-28 This study examines masculinity and individualism in four American novels of the 1920s and 1930s usually regarded as belonging to the genre of hard boiled fiction The novels under study are *Red Harvest* by Dashiell Hammett *The Postman Always Rings Twice* by James M Cain *They Shoot Horses Don t They* by Horace McCoy and *To Have and Have Not* by Ernest Hemingway In this first full length study of gender in hard boiled fiction the genre is discussed as a representation of the ideologies of masculinity and individualism Hard boiled fiction is located in its historical and cultural context and it is argued that the genre with its explicit emphasis on masculinity and masculine virtues attempts to reaffirm a masculine order The study argues that this emphasis is a counter reaction to more general changes in the gender relations of the period Indeed hard boiled fiction is argued to be an attempt to reconstruct a masculine identity based on anti modern values generally accepted in the cultural context of the genre "G" is for Grafton Natalie Hevener

For a long time now women have struggled for the vindication of their rights and for their visibility This struggle may seem a story of success maybe not complete or equal for all women but at least one which slowly but surely carries with it the promise of equality for all women However a closer look reveals that in various fields of culture the representation of women frequently undergoes a manipulation which makes the image of women lose the intention initially attempted This is often the case with adaptations of literary texts to the screen when the initial literary message is changed because of for example marketing demands or some ideological stance Rarely do we find the opposite case where

the indifferent or emasculated original female characters are turned into guardians and or apologists of feminine power The present volume focuses precisely on the way in which the image of women is modified in films and TV series when compared with the original literary texts

**The Mystery of Mysteries** Samuel Coale,2000 Four American mystery writers have contributed new dimensions to the mystery form Tony Hillerman s Navajos and their customs Amanda Cross s Carolyn Heilbrun s academics and their feminist credentials or lack thereof James Lee Burke s Southern Louisiana Cajuns and his own fiercely moral take on Southern gothic fiction and Walter Mosley s urban blacks and their culture have challenged the conventional mystery s focus Using feminist and black critical theory mythic and historical patterns and literary genre theory Samuel Coale examines these writers works and investigates the compromises that each is forced to make when working within a recognizably popular literary form

Justice Provocateur Gray Cavender,Nancy C. Jurik,2012-08-15 Justice Provocateur focuses on Prime Suspect a popular British television film series starring Oscar and Emmy award winning actress Helen Mirren as fictional London policewoman Jane Tennison Gray Cavender and Nancy C Jurik examine the media constructions of justice gender and police work in the show exploring its progressive treatment of contemporary social problems in which women are central protagonists They argue that the show acts as a vehicle for progressive moral fiction fiction that gives voice to victim experiences locates those experiences within a larger social context transcends traditional legal definitions of justice for victims and offers insights into ways that individuals might challenge oppressive social and organizational arrangements Although Prime Suspect is often seen as a uniquely progressive feminist inspired example within the typically more conservative male dominated crime genre Cavender and Jurik also address the complexity of the films gender politics Consistent with some significant criticisms of the films they identify key moments in the series when Tennison s character appears to move from a successful woman who has it all to a post feminist stereotype of a lonely aging career woman with no strong family or friendship ties Shrewdly interpreting the show as an illustration of the tensions and contradictions of women s experiences and their various relations to power Justice Provocateur provides a framework for interrogating the meanings and implications of justice gender and social transformation both on and off the screen

*Lesbian Detective Fiction* Phyllis M. Betz,2006-07-24 This work examines how lesbian detective and mystery fiction represents lesbian characters and experience within the confines of the genre As this book points out such fiction reveals the lesbian s increasing visibility in the wider society Nevertheless it can still be difficult to find a complete representation of lesbian life in mainstream literature Often the best place to find the lesbian represented in books is within the pages of genre fiction especially the detective story This book looks at how the lesbian characters public

and private lives intersect often at the point of coming out or of moving from isolation to connection with the community Also considered is the lesbian detective's typical confrontation with two crucial elements of the investigator's role: the use of violence and the acquisition and expression of authority within police systems Other topics of discussion include the cultural environments in which the stories are situated and the use of humor as a key weapon in the lesbian detective's investigative arsenal

**Murder Most Fair** Michael Cohen, 2000 The treatment of formal features is historical Jacket *Foul & Fair Play* Marty Roth, 1995 *Foul and Fair Play* is an examination of classic detective fiction as a genre an attempt to read a wide variety of texts by different authors as variations on a common and relatively tight set of conventions Marty Roth covers the period from the prehistory of detective fiction in Edgar Allan Poe Charles Dickens Wilkie Collins Robert Louis Stevenson and H G Wells up to the 1960s which marked the end he says of the classical period the end of an extremely conservative paradigm The detective fiction genre as Roth defines it includes analytic detective fiction hard-boiled detective fiction and the spy thriller Roth insists on the structural common ground of these three types of writing and places them in the larger system of mystery fiction that preceded and surrounds them The first part of the book consists of a reading of conventions: conventions of character the detective the criminal of gender and sexuality of narrative style of settings and of the curious rules of exchange and coincidence that operate in the realm where detective stories take place The second section deals with the convoluted epistemology of mystery and detective fiction depending as it does on other major intellectual developments of the late nineteenth century such as psychoanalysis An extremely original study *Foul and Fair Play* offers many insights into the literary and cultural history of a popular genre

Feminist Popular Fiction M. Mäkinen, 2001-09-25 An examination of feminist writers' appropriation of a range of popular genres: detective fiction science fiction romance and the fairy tale The author argues that feminists can successfully appropriate all four genres because genres as cultural productions have accommodated the cultural changes brought about by second-wave feminism The book provides a history of each of the genres reinstating women's contributions in those histories and a comprehensive review of the feminist critical debates on each of the genres

*Cracking the Hard-Boiled Detective* Lewis D. Moore, 2015-01-24 The hard-boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard-boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the hard-boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods: the Early (roughly 1927-1955) during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional (evident by 1964) in the works of John D. MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern (since the late 1970s) during which such writers as Loren D. Estleman Liza Cody Sara Paretsky Sue Grafton and many

others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here

**Brown Gumshoes** Ralph E. Rodriguez, 2009-03-06 Winner Modern Language Association Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies 2006 Popular fiction with its capacity for diversion can mask important cultural observations within a framework that is often overlooked in the academic world Works thought to be merely escapist can often be more seriously mined for revelations regarding the worlds they portray especially those of the disenfranchised As detective fiction has slowly earned critical respect more authors from minority groups have chosen it as their medium Chicana o authors previously reluctant to write in an underestimated genre that might further marginalize them have only entered the world of detective fiction in the past two decades In this book the first comprehensive study of Chicano a detective fiction Ralph E Rodriguez examines the recent contributions to the genre by writers such as Rudolfo Anaya Lucha Corpi Rolando Hinojosa Michael Nava and Manuel Ramos Their works reveal the struggles of Chicanas os with feminism homosexuality familia masculinity mysticism the nationalist subject and U S Mexico border relations He maintains that their novels register crucial new discourses of identity politics and cultural citizenship that cannot be understood apart from the historical instability following the demise of the nationalist politics of the Chicana o movement of the 1960s and 1970s In contrast to that time when Chicanas os sought a unified Chicano identity in order to effect social change the 1980s 1990s and 2000s have seen a disengagement from these nationalist politics and a new trend toward a heterogeneous sense of self The detective novel and its traditional focus on questions of knowledge and identity turned out to be the perfect medium in which to examine this new self
