No Friend Like a Sister Jenny Neale,2004 Publisher description      **Forced to Be Family** Cheryl Dellasega,2007-09-28 You can survive the kitchen wars and live in peace with your family My sisters in law couldn't stand me I was really hurt when my kids weren't mentioned in their grandmother's obituary because they weren't full-blooded family My mom is always giving advice always telling me to do such and such when she doesn't do it herself If my husband and I have a fight she takes his side My sister did call me a week later to apologize but proceeded to tell me everything that was wrong with me my husband and my children Sound familiar There's nothing new or unusual about conflict between mothers sisters and other female family members but that doesn't make it any less painful or destructive Adding to the hurt of relational abuse within the family is the permanent nature of the relationship you can sever relations with an abusive friend but you can't stop being the sister daughter niece of an abusive relative Does that mean that there's no way out In Forced to Be Family you'll discover how to determine whether a female family member is being abusive recognize the sources of that abuse and break the vicious cycle that keeps the abuse alive You don't have to choose between accepting abuse and making a scene This insightful reassuring guide gives you the strategies and understanding you need to reestablish warm and loving relationships with the women who will always be closest to you      **The Nine Phases of Marriage** Susan Shapiro Barash,2012-09-18 From the author of Toxic Friends a groundbreaking look at how to understand your marriage and create a more satisfying relationship Every marriage goes through nine phases It is only by understanding the course our marriages run that we can truly begin to craft the perfect relationship In The Nine Phases of Marriage Susan Shapiro Barash breaks down and analyzes
