Six Steps to an Emotionally Intelligent Teenager James Windell, 1999-08-09 Practical parenting ideas for kids from ages 13 to 19 Helping teenagers navigate the rocky years between childhood and adulthood has always been a parenting challenge a challenge that has only grown more difficult in today s fast paced society Noted parenting author and psychologist James Windell knows teens He interacts with them every day In this book he offers exercises and practical ideas on how parents can raise a well adjusted teenager with a solid chance for a successful life Unlike so many books on parenting and teens that focus on discipline this book emphasizes the importance of goal setting communication and the development of social skills during the teen years It reveals how to develop teens emotional intelligence by demonstrating to them how they can handle their own emotions and respond constructively to the emotions of others James Windell MA Detroit MI is a juvenile court psychologist He is the author of *Children Who Say No When You Want Them to Say Yes* and *Eight Weeks to a Well Behaved Child* Windell has appeared on CNN and Donahue and his work has appeared in many national newspapers and magazines including Jane

Brody's column in the New York Times **A Second Look at the Cross: Six Steps to the Throne** Pator Michael Altino Perrin, Sr., 2010-04-27 Galatians 2:20 NKJV I have been crucified with Christ; it is no longer I who live, but Christ lives in me. By our identification with Christ we don't mean that we identify ourselves with Him though in a sense we do, but that God identified us with Christ in his death, burial, and resurrection. God saw us crucified when He saw Christ crucified. God saw us raised when Christ was raised. Identification then is first and foremost the way God sees things and not the way we do. **Six Steps to Reduce Stress** Gregory L. Jantz, 2016-09-28 75 percent of Americans report experiencing at least one symptom of stress in the past month in the United States according to the American Psychological Association. Whether the cause of stress is money, work, the economy, family, or personal health, easily get simple and effective tips to reduce stress that are improving lives of people everywhere. In this step-by-step guide, you will gain the tools to start healthy habits to reduce stress. Get a full night's sleep and wake up refreshed. Enrich your relationship with the Lord and others like never before. Simplify and organize your life to cut down on stress and focus on what really matters and more. Stress is natural and even helpful in emergencies, causing us to react quickly in need, but being in stress mode regularly is dangerous to our health. Using real-life stories, biblically sound advice, proven tips, and practical steps, equip yourself to recognize the signs of stress and take action to reduce stress today. **Effective Steps to Reduce Stress with the Whole Person Approach** Unlike most self-help books on stress which focus mainly on emotions and behavior, **Six Steps to Reduce and Relieve Stress** by Dr. Gregory Jantz takes it a step further by looking at the whole person approach. People are not one-dimensional, and neither should be the help given to them. A whole person is made up of five key aspects, and this book makes it easy to understand to see how stress affects each area and how to get healthy in each of these areas: Emotional, Intellectual, Relational, Physical, Spiritual. There are thousands of books on stress, but oftentimes they give very general recommendations that don't apply to everyone and ignore the spiritual aspects of a person. Imagine having a book that pulls from Scripture and science that speaks to the whole person, showing them how to be restored emotionally, intellectually, relationally, physically, and spiritually. Featuring helpful checklists and research in an easy-to-read format, Jantz's **Six Steps to Reduce and Relieve Stress** doesn't just manage symptoms; it will equip you with the tools to care for the whole person. You don't have to live in constant overdrive; treat your stress with six practical steps that you can start taking today. This effective guide can be used by anyone and everyone to be free from the pain and anxiety of chronic stress. **Six Steps to Six Figures** Sabiha Vorajee, 2017-03-17 What would it be like to live, walk, talk, eat, sleep, work, and play in a body that tingles with vibrant, passionate energy? One that lets you know everything is in your reach if you have the courage and confidence to ask for it?
