Whitney,2021-05-21 In *Six Stages on the Spiritual Path* we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level

Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe **World Religions and Cults Volume 1** Bodie

Hodge,Roger Patterson,2015-08-13 Religions in today s culture seem to be multiplying Have you ever wondered why certain religions believe and practice what they do Or how they view the Bible This volume delves into these and other engaging questions such as How can a Christian witness to people in these religions Do these other religions believe in creation and a Creator How do we deal with these religions from a biblical authority perspective Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way And there is a common factor every time man s fallible opinions In one way or another the Bible gets demoted reinterpreted or completely ignored Man s ideas are used to throw the Bible s clear teaching out the window while false teachings are promoted This book is a must for laymen church leaders teachers and students to understand the trends in our culture and around the world where certain religions dominate helping you discern truth and guard your faith When you understand a religion s origins and teachings you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions
