Early German music in Philadelphia Robert Rutherford Drummond, 2025-03-02 In *Early German Music in Philadelphia*, Robert Rutherford Drummond meticulously explores the rich tapestry of German musical influence in 18th and 19th century Philadelphia. This scholarly work delves into a variety of musical forms, genres, and practices, highlighting the cultural exchanges that shaped the city's musical landscape during this pivotal period. Drummond's prose is both accessible and academic, integrating extensive research with vivid descriptions that bring to life the performances, gatherings, and cultural implications of German music in a burgeoning American city.
