The Sketch Book of Geoffrey Crayon, Gent Washington Irving,1820 **The Sketch Book of Geoffrey Crayon, Gent** Washington Irving,2019-09-09 This collection of stories from Washington Irving includes some of America s best known works of fiction such as the famous Rip Van Winkle and The Legend of Sleepy Hollow as well as lesser known works as The Specter Bridegroom Westminster Abbey English Writers on America Stratford on Avon The Art of Bookmaking The Mutability of Literature and The Christmas Quintet **The Sketch Book of Geoffrey Crayon, Gent.** Washington Irving,2015-10-14 THE following papers with two exceptions were written in England and formed but part of an intended series for which I had made notes and memorandums Before I could mature a plan however circumstances compelled me to send them piecemeal to the United States where they were published from time to time in portions or numbers It was not my intention to publish them in England being conscious that much of their contents could be interesting only to American readers and in truth being deterred by the severity with which American productions had been treated by the British press By the time the contents of the first volume had appeared in this occasional manner they began to find their way across the Atlantic and to be inserted with many kind encomiums in the London Literary Gazette It was said also that a London bookseller intended to publish them in a collective form I determined therefore to bring them forward myself that they might at least have the benefit of my superintendence and revision I accordingly took the printed numbers which I had received from the United States to Mr John Murray the eminent publisher from whom I had already received friendly attentions and left them with him for examination informing him that should he be inclined to bring them before the public I had materials enough on hand for a second volume Several days having elapsed without any communication from Mr Murray I addressed a note to him in which I construed his silence into a tacit rejection of my work and begged that the numbers I had left with him might be returned to me The following was his reply **The Sketch book of Geoffrey Crayon, Esq.
