Sketches of America and Americans George I. Haight,2017-07-05 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

Short Sketches from Oldest America John Beach Driggs,1905 *Genealogical and Biographical Sketches of the Bartlett Family in England and America* Levi Bartlett,2024-06-06 Reprint of the original first published in 1876

Sketches in North America Hugo Reid,2015-07-01 Excerpt from Sketches in North America With Some Account of Congress and of the Slavery Question This little volume has its origin in a belief that at the present time when the condition of the American Republic is creating such intense interest some account of the Slavery Question which has led to the great events going on there and of the Parliament of the Union might be welcome to English readers To these I have added a few sketches of various points of interest that have come under my notice in North America Our American friends need not be surprised that British writers should mark particularly those points in which we may suppose that their institutions are not working satisfactorily We have a tendency in the same direction and it is very important for us to gather any indications we can of where that direction leads There are spots on the sun and there is so much genius greatness and goodness in the people of the United States that they can well afford to admit a few defects mingling with these About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Miss America; pen and camera sketches of the American girl Alexander Black,2023-09-22 Reproduction

of the original **Who's who in America** John William Leonard, Albert Nelson Marquis, 1920 Vols 28 30 accompanied by separately published parts with title Indices and necrology **Miss America** Alexander Black, 1898 **British Comment on the United States** Ada Nisbet, 2001-06-07 This bibliography of more than three thousand entries often extensively annotated lists books and pamphlets that illuminate evolving British views on the United States during a period of great change on both sides of the Atlantic Subjects addressed in various decades include slavery and abolitionism women s rights the Civil War organized labor economic cultural and social behavior political and religious movements and the American character in general
