Excerpt from Sketches of Jewish Social Life in the Days of Christ Throughout my constant object has been to illustrate the New Testament history and teaching Even the Scripture Index at the close will show in how many instances this has been attempted Most earnestly then do I hope that these pages may be found to cast some additional light on the New Testament and that they will convey fresh evidence to my mind of the strongest kind and in a new direction of the truth of those things which are most surely believed among us And now it only remains at the close of these investigations once more to express my own full and joyous belief in that grand truth to which all leads up that christ IS the end OF the law for righteousness TO every one that believeth About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
