Slap Your Sides:

Slap Your Sides M. E. Kerr, 2013-12-17 World War II comes to a small Pennsylvania town in this thought provoking novel about a peace loving Quaker family War may be raging in Europe but in Sweet Creek Pennsylvania peace is being waged Bud Shoemaker is vehemently opposed to the war when he registers for the draft as a conscientious objector No one except his Quaker family shares Bud's pacifist views although his thirteen year old brother Jubal wonders what kind of Quaker he'll be when it comes time for him to enlist Jubal loves and believes in his brother even if the whole town including Daria Daniel the girl Jubal secretly loves doesn't With everyone calling Bud a coward Jubal's family is slowly being torn apart But when an unexpected vicious act forces Jubal to grapple with man's penchant for violence he has to grow up fast in a community in which killing becomes the measure of a man *Slap Your Sides* is a riveting tale of courage and conscience that delivers a timeless universal message about what makes a hero and what it really means to be a patriot This ebook features an

illustrated personal history of M E Kerr including rare images from the author's collection *Common Core Standards and World War II* Pat Scales, 2014-10-28 President Dwight D Eisenhower a five star general and commander of the Allied Forces in Europe during World War II established a committee in 1954 to plan a Veterans Day observance This day honors all veterans of the United States and is held each year on November 11 with a somber ceremony at Arlington National Cemetery A wreath is placed on the Tomb of the Unknown Soldier and followed by a parade of colors In 2015 the United States and the world will mark the 70th anniversary of the end of World War II Victory in Europe occurred on May 8 1945 but the official end of the war came when Japan surrendered to the United States on August 15 1945 Some students may have family members who remember World War II but most only know the hardships both at home and in foreign war zones through books they read The novels presented in this guide give them a glimpse of the events on the home front in the United States after the bombing of Pearl Harbor and what was happening in Europe and Asia before and after the United States entered the war *Money Magic Tricks* Bob Longe, 2001 It's one thing to learn the mechanics of a magic trick and quite another to entertain and mystify your audience You'll master both at the same time with 64 money tricks involving coins and bills and the magician's professional banter and diversionary tactics Tricks range from simple ones to delight the kids to advanced ones to fool sophisticated adults Make coins disappear and reappear all over the room change places with each other in plain sight sneak about while hidden under cards Cut up somebody's bill and put it back together spin a coin in the air as you toss it from the palm of your hand and drop a coin onto a table so it lands on its edge **Promoting Great Reads to Improve**
