**George W. Cable**

## **Slavery Revisited Blacks And The Southern Convict Lease System 1865-1993:**

Kill It to Save It Dolgon, Corey, 2017-04-05 How have powerful Americans convinced their fellow citizens to support policies beneficial only to the wealthy Why have so many given up on public education safe food and safe streets living wages even on democracy itself Kill it to Save it lays bare the hypocrisy of US political discourse by documenting the story of capitalism's triumph over democracy As the Progressive Left tries to understand how President Trump came to power Corey Dolgon documents his historical political and cultural road map Dolgon argues that American citizens now accept policies that destroy the public sector and promote political stories that feel right in the gut regardless of science or facts Covering the post Vietnam era to present day Dolgon dismantles US common sense cultural discourse and explains why the endless crisis in US policy will continue until American citizens recognize what has been lost and in whose interest

**Afro-Americana Acquisitions** University of Illinois at Urbana-Champaign. Library. Afro-Americana Unit, 1998-10

**Slavery Revisited** Milfred C. Fierce, 1994      One Dies, Get Another Matthew J. Mancini, 1996 In his seminal study of convict leasing in the post Civil War South Matthew J Mancini chronicles an institution of unrelieved brutality Devastated by war bewildered by peace and unprepared to confront the problems of prison management Southern states sought to alleviate the need for cheap labor a perceived rise in criminal behavior and the bankruptcy of their state treasuries Mancini describes the leasing of convicts to corporations and individuals as a policy that in addition to reducing prison populations and generating revenues offered a means of racial subordination and labor discipline He identifies commonalities that despite the seemingly uneven enforcement of convict leasing across state lines bound the South together in reliance on one of the harshest most exploitative labor systems in American history Examining the practice from both regionwide and state by state perspectives Mancini explores convict leasing in Georgia Tennessee Mississippi Alabama North Carolina South Carolina Florida Texas Louisiana Arkansas and Virginia He describes prisoners daily existence profiles the individuals who leased the convicts and reveals both the inhumanity of the leasing laws and the centrality of race relations in the establishment and perpetuation of convict leasing He takes issue with the widespread notion that convict leasing was an aberration in a generally progressive history of criminal justice and offers a convincing explanation for the institution's dramatic demise

Twice the Work of Free Labor Alexander C. Lichtenstein, 1996 For the first time in a generation chain gangs have reappeared on the roads of the American South Associated in the past with racial terrorism this cruel and unusual punishment should invoke strong memories But in the rush to embrace ever harsher sanctions the American public has ignored the troubling history of Southern punishment Twice the Work of Free Labor is the first book length study of the history of the Southern convict lease system and its successor the chain gang For nearly a century after the abolition of slavery convicts labored in the South's mines railroad camps brickyards turpentine farms and then road gangs under abject conditions The vast majority of these prisoners were African Americans In this timely book Alex Lichtenstein reveals the

origins of this vicious penal slavery explains its persistent and widespread popularity among whites and charts its unhappy contribution to the rebirth of the South in the decades following the Civil War The book also offers an original analysis of the post Civil War South s political economy Lichtenstein suggests that after emancipation forced black labor was exploited not by those who yearned for the social order of the slave South but by the region s most ardent advocates of progress The convict lease and chain gang allowed a New South to rise while preserving white supremacy The Silent South, Together with the Freedman's Case in Equity and the Convict Lease System George Washington Cable,1899 The Silent South George W. Cable,2017-12-02 Excerpt from The Silent South Together With the Freedman s Case in Equity and the Convict Lease System No comparable entanglement was ever drawn round itself by any other modern nation with so serene a disregard of its ultimate issue or with a more distinct national responsibility The African Slave was brought here by cruel force and with everybody s consent except his own Every where the practice was favored as a measure of common aggrandizement When a few men and women protested they were mobbed in the public interest with the public consent There rests therefore a moral responsibility on the whole nation never to lose sight of the results of African American Slavery until they cease to work mischief and injustice About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Spawn of Slavery** W. E. B. Du Bois,1901 *The Silent South; Together with the Freedman's Case in Equity and the Convict Lease System* George Washington Cable,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1885 edition Excerpt THE FREEDMAN S CASE IN EQUITY THE greatest social problem before the American people to day is as it has been for a hundred years the presence among us of the negro No comparable entanglement was ever drawn round itself by any other modern nation with so serene a disregard of its ultimate issue or with a more distinct national responsibility The African slave was brought here by cruel force and with everybody s consent except his own Everywhere the practice was favored as a measure of common aggrandizement When a few men and women protested they were mobbed in the public interest with the public consent There rests therefore a moral responsibility on the whole nation never to lose sight of the results of AfricanAmerican slavery until they cease to work mischief and injustice It is true these responsibilities may not fall evenly with the same weight but they are nowhere entirely removed The original seed of trouble was sown with the full knowledge and consent of the nation The nation was to blame and so long as evils spring from it their correction must be

the nation's duty The late Southern slave has within two decades risen from slavery to freedom from freedom to citizenship passed on into political ascendancy and fallen again from that eminence The amended Constitution holds him up in his new political rights as well as a mere constitution can On the other hand certain enactments of Congress trying to reach further have lately been made void by the highest court of the nation And another thing has happened The popular mind in the old free States weary of strife at arm's length bewildered by its complications vexed by many a blunder eager to turn to the cure of other evils and even
