Sliver In Time Olsen:

Studio John McDonald, 2007 Studio presents an extraordinary anthology of visual and verbal insights into the way paintings are made and the complex blend of motivation and inspiration that sustains the painter in his or her solitary search for meaning *Bulletin*, 1983 **Home on the Ranch: Honorable Texas Cowboy** Ali Olson, 2019-07-02 This cowboy is double trouble Rancher Diego McNeal thought his crush on beautiful fiery Kate Andrews was under control Not only does she work on his family's ranch she's also engaged to his identical twin brother Off limits But when a case of mistaken identity leads to a breathtaking kiss Diego knows he just crossed the line Kate knows that Diego will always protect his twin But after The Kiss it's clear that Diego is the only guy she could imagine spending her life with Now she must decide if she has the courage to follow her heart Because being with Diego won't just break his cowboy's code of honor it could tear the close knit McNeal family apart Splinter Susan O'Dell Underwood, 2023-06-20 On a collective level the human diaspora is incalculable Our leaving and resettling are as ancient as we are whether immigrant refugee exile or pioneer In Splinter Susan O'Dell Underwood's poems trace the unique experiences of the Appalachian diaspora Splinter suggests the deep ambivalence in the breaking away a sundering which can never be mended These poems test the emotional spectrum weighing the joyful possibilities and sorrows of leaving against the obligation of those who stay home grateful yet bereft in an altered place The Equivalents Maggie Doherty, 2021-04-13 FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD In 1960 Harvard's sister college Radcliffe announced the founding of an Institute for Independent Study a messy experiment in women's education that offered paid fellowships to those with a PhD or the equivalent in artistic achievement Five of the women who received fellowships poets Anne Sexton and Maxine Kumin painter Barbara Swan sculptor Marianna Pineda and writer Tillie Olsen quickly formed deep bonds with one another that would inspire and sustain their most ambitious work They called themselves the Equivalents Drawing from notebooks letters recordings journals poetry and prose Maggie Doherty weaves a moving narrative of friendship and ambition art and activism love and heartbreak and shows how the institute spoke to the condition of women on the cusp of liberation Rich and powerful A love story about art and female friendship Harper's Magazine Reads like a novel and an intense one at that The Equivalents is an observant thoughtful and energetic account Margaret Atwood The Globe and Mail Toronto **Ethnography Unbound** Stephen Gilbert Brown, Sidney I. Dobrin, 2004-02-26 Problematizes traditional ethnographic research methods offering instead self reflexive critical practices *Olson's Orient Guide* Harvey Stuart Olson, 1967 **LIFE**, 1964-06-05 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use *Olson's Orient Guide* Harvey S. Olson, 1964 *Silver Rogue* Ebony Olson, 2020-05-22 Meeting your soul mate doesn't mean love at first sight Anique has spent the last seven years

rebuilding her life after leaving her birth pack Of all the concerns she had about attending her sister s wedding meeting her true mate was not one of them This is the last thing she wanted and she s determined not to let it happen but the Goddess has other ideas Knox is the alpha of the Valleymorgans His life is orderly and controlled Then he receives the Moon s blessing Knox thought being mated to a headstrong pampered alphas progeny was going to be hell but its nothing to finding out the Goddess has chosen a fiercely independent rogue to be his mate Just when he starts to like her Anique s secrets are exposed ruined by her own pack rogue and living a human existence could this girl be any more wrong for him The Goddess mated them but that doesn t mean love at first sight and it sure as hell doesn t mean smooth sailing and a happy ever after

Canyon of the Dead Andrew McBride,2017-04-01 Calvin Taylor had learned the tricks of his trade scouting against the Apaches Now the Indian Wars were almost over he was using those same deadly skills to hunt down lawbreakers of all races Taylor believed there was an organisation behind the stock thieving sweeping Arizona In the grim Canyon of the Dead he located the robbers roost and the outlaw leader But trapped as he was in a web of treachery violence and intrigue pursued by a crazed Apache renegade his next problem was how to get out of the canyon alive and avoid the shadow of the hangman s noose **Australian National Bibliography** ,1981 **The Sunnier Side and Other Stories** Charles Jackson,2013-02-12

A masterful collection of short stories exposing the seamy undercurrents of small town American life from Charles Jackson celebrated author of *The Lost Weekend* A selection of Jackson s finest tales *The Sunnier Side and Other Stories* explores the trials of adolescence in America during the tumultuous years of the early twentieth century Set in the town of Arcadia in upstate New York the stories in this collection address the unspoken issues homosexuality masturbation alcoholism to name a few lurking just beneath the surface of the small town ideal *The Sunnier Side* showcases Jackson at the height of his storytelling powers reaffirming his reputation as a boundary pushing irreverent writer years ahead of his time [The Jewelers' Circular](#) ,1924

Fast Times in Palestine Pamela j. Olson,2013-03-12 For much of her life like many Westerners most of what Pamela Olson knew of the Middle East was informed by headlines and stereotypes But when she traveled to Palestine in 2003 she found herself thrown with dizzying speed into the realities of Palestinian life *Fast Times in Palestine* is Olson s powerful deeply moving account of life in Palestine both the daily events that are universal to us all house parties concerts barbecues and weddings as well as the violence trauma and political tensions that are particular to the country From idyllic olive groves to Palestinian beer gardens from Passover in Tel Aviv to Ramadan in a Hamas village readers will find Olson s narrative both suspenseful and discerning Her irresistible story offers a multi faceted understanding of the Palestinian perspective on the Israel Palestine conflict filling a gap in the West s understanding of the difficult relationship between the two nations At turns funny shocking and galvanizing *Fast Times in Palestine* is a gripping narrative that challenges our ways of thinking not only about the Middle East but about human nature cultural identity and our place in the world **Rogue Wave** Susan Dunlap,2012-05-08 Three years after a hit and run Kiernan searches the sea for the missing

suspect As Robin Matucci sails under the Golden Gate Bridge and into the Pacific the sea is calm and her deckhand Carlos is sober By the next day the sky is black and Carlos is passed out drunk The waves crest higher as Robin fights to reach land until they finally overwhelm her small ship Fire springs up from the engine room and the tiny craft goes to the bottom of the Pacific When the wreck s remains surface Robin is gone but the police recover samples of her hair They then discover that the samples match those found at the site of a hit and run accident from three years before The hit and run victim s widow wants Robin found dead or alive and hires medical examiner turned private detective Kiernan O Shaughnessy to find her The answer to the riddle of the missing mariner will take Kiernan to the depths of the ocean and back into the arms of a man she thought she had left behind forever This ebook features an illustrated biography of Susan Dunlap including rare images from the author s personal collection **Green Dragon Tales** ,1996 [The Djief Hunters, 26,000 Years of Rainforest Exploitation on the Bird's Head of Papua, Indonesia](#) Juliette M. Pasveer,2004-07-01 Two prehistoric cave sites on the Bird s Head of western New Guinea provide a detailed narrative of 26 000 years of human occupation of this area During Late Pleistocene times lower temperatures allowed a suite of montane animal species to descend onto the lowland Ayamaru Plateau When the montane fauna receded during the subsequent climatic amelioration people switched their hunting focus to a forest wallaby known locally as Djief Detailed analysis of this species remains including the reconstruction of their age profile provides insights into why prolonged hunting of this species did not lead to its extinction The wallaby population evidently thrived at its demographic maximum throughout the early and mid Holocene suggesting that human population densities and therefore hunting pressure were low until c 5000 BP This volume of Modern Quaternary Research in Southeast Asia offers a unique perspective on sustainable hunting in prehistory and provides intriguing insights into hunter gatherer subsistence tool manufacturing and use the changing intensity of occupation of the sites and environmental exploitation from Late Pleistocene times onwards in a lowland tropical region It forms an important contribution to the current debate on the possibilities of human occupation of tropical rainforest before the advent of agriculture [The Algorithm of Deceit: A Silicon Valley Thriller](#) Victoria Giles, [Singing Wilderness](#) Sigurd F. Olson,2012-05-30 To do with the calling of loons with northern lights and the great silences of land lying northwest of Lake Superior It is concerned with the simple joys the timelessness and perspective found in a way of life which is close to the past I have heard the singing in many places but I seem to hear it best in the wilderness lake country of the Quetico Superior where travel is still by pack and canoe over the ancient trails of the Indians and voyageurs Thus the author sets the theme and tone of this enthralling book of discovery about one of the few great primitive areas in our country which have withstood the pressures of civilization Acute natural perceptivity and a profound knowledge of the relationships to be found in nature combine here in vivid evocations of the sights the sounds the vast stillnesses and the events of the wilderness as the seasons succeed each other But Mr Olson is not

content merely to describe he probes for meanings that will lead the reader to a different and more revealing way of looking at the outdoors and to a deeper sense of its eternal values In each of the thirty four chapters of *The Singing Wilderness* he has sought to capture an essential quality of our magnificent lake and forest heritage He shows us what can be read from the rocks of the great Canadian Shield he offers a delightful essay on the virtues of pine knots as fuel he writes of the ways of a canoe of flashing trout in the pools of the Isabella of tamarack bogs caribou moss the flight of wild geese timber wolves and the birds of the ski trails And much more with something to satisfy every taste for wilderness experience Superbly illustrated with 38 black and white drawings by Francis Lee Jaques *The Singing Wilderness* is a book that no lover of nature will want to be without To anyone who contemplates a vacation in the lake country of northern Minnesota and adjoining Canada it is the perfect *vade mecum*
