## Small Farm In Maine:

**A Small Farm in Maine** Terry Silber,1989 In the early 70s Terry and Mark Silber were busy pursuing urban careers On weekends they retreated to a farm in Maine Soon they were selling their produce at the farmer s market One Monday they didn t go back and Hedgehog Hill farm was born Here is how they were transformed from office dwellers to country folk living off the land *Our Maine* Aram Calhoun,Malcolm Hunter,Kent Redford,2023-08-15 Lobsters blueberries moose and rugged coastlines dotted with lighthouses are emblematic of the state of Maine But underlying these simple icons is the rich natural heritage of Maine that drives the economy and shapes the state s culture The history of Maine s natural heritage has been co produced by the both the natural and human worlds The essays and photographs gathered here paint a vivid portrait of Maine s wild places and wild creatures as well as of human impacts and the way the state s heritage has changed

**Tending Nature** Nathalie Gravel,2024-10-25 This book aims to enhance understanding of the foundational principles and ethical considerations of citizen engagement in environmental conservation through an examination of successful cases of shared environmental governance in the Americas It seeks to inform policymaking on strategies for fostering behavioral change and advancing towards co management of national public resources and the commons These cases are analyzed through a geographical lens to provide a framework for reimagining eco citizenship grounded in bioregionalism This perspective diverges from the notion of eco citizenship as a universal culture advocating instead for its integration within the collective habitats of citizen groups Readers will gain insights into fostering reconciliation between nature and humanity by empowering diverse stakeholders to lead Blue Green Bee conservation initiatives Emphasizing community learning environmental awareness and citizen participation the book enriches decision making processes and promotes environmental justice for all living organisms The selected case studies from Brazil Canada Costa Rica Mexico and the United States highlight pioneering innovations in Blue Green Bee policy planning across urban periurban and rural

settings These initiatives propose empathetic and respectful approaches to nurturing our natural surroundings including methods for co management networked urban gardening wild native bee conservation water source protection community based water management river revitalization and metropolitan green space stewardship This book will be invaluable to students urban and rural planners researchers academics networking professionals policymakers international development practitioners environmental organization personnel and enthusiasts of the natural world alike *Bulletin* ,1979 **Bulletin** New Jersey.
