or does it vary based on who is doing the regretting and why How is regret different from other backward looking emotions In The Moral Psychology of Regret scholars from several disciplines including philosophy gender studies disability studies law and neuroscience come together to address these and other questions related to this ubiquitous emotion that so many of us seem to dread And while regret has been somewhat under theorized as a subject worthy of serious and careful attention this volume is offered with the intent of expanding the discourse on regret as an emotion of great moral significance that underwrites how we understand ourselves and each other Take Your Soul to Work Erica Brown,2015-12-01 Practical inspired and bite sized wisdom from renowned religious scholar Erica Brown these daily meditations help add greater depth and purpose to your leadership Few leaders have a plan when it comes to soul building at work As a result they often find themselves spiritually or emotionally depleted and they can lose the larger ideals that made them want to lead in the first place Take Your Soul to Work is a daily meditational for business and nonprofit leaders looking for inspiration Each entry focuses on a different quality emotion or aspiration on discipline on compassion on impermanence on callousness on productive narcissism by presenting a relevant quote story or question inspired by the traditions of all faiths as well as artists poets and business thinkers to help leaders reframe rethink and reset Leaders rarely have time to reflect between the meeting calls and emails that eat away at the work day With just one thought per day for the entire year these 365 meditations will anchor ground and enrich corporate titans and nonprofit visionaries Take Your Soul to Work provides spiritual nourishment and encourages leaders to steer their organizations with honesty grace and courage and experience transcendence in the process *Mindful Pages: A Journey Towards Wellbeing, Anon Global Foundation* ANON Global Foundation Interns,2024-08-30 Mindful Pages is a profound compilation of blogs and artwork meticulously crafted by the talented interns of the ANON Global Foundation This book delves into the crucial subjects of mental health and life skills reflecting the creativity and insights of our interns Each page is a testament to the transformative power of mindfulness and the journey towards wellbeing With a heartfelt approach Mindful Pages offers a unique perspective on the path to personal growth and inner peace Climate Change Adaptation Manual Andrea Prutsch,Torsten Grothmann,Sabine McCallum,Inke Schauser,Rob Swart,2014-02-24 Due to the lack of success in climate change mitigation efforts the importance of adaptation is becoming more and more apparent and is now one of the main imperatives of international research and action However research on adaptation is mostly not directly applicable to adaptation policy or practice leaving a gap between scientific results and practical advice for decision makers and planners This book seeks to address this problem and bridge the gap and should provide readers with practical and applicable information on climate change adaptation Following an introduction the book is organised into four main sections each reflecting an essential component in the adaptation process Climate change adaptation is an emerging subject area and has gained increased political and academic attention within the last decade Whereas most books in the field focus on adaptation in developing countries this volume provides an examination of

predominantly European policy and offers interdisciplinary insight into cutting edge knowledge and lessons learnt in a relatively new field of implementation
