

— Siniša Križnič

Smart in Slovenia: Two sisters network manufacturing

By leading their father's long-established company into a new era of digitally connected manufacturing, Siniša and Tina Križnič have laid the groundwork for a successful future. Based in north-east Slovenia, Elpro Križnič started out as a one-man garage-based business. Today, the company is an energy-saving smart factory – and the two sisters are pursuing a corporate strategy that focuses firmly on digitalization and sustainability.

The vision of a fully connected smart factory has always fascinated Siniša Križnič. But it wasn't until 2019 – when the young CEO and English-literature graduate paid a visit to TRUMPF's Smart Factory in Chicago – that her plans finally began to take shape. "The new era of sheet-metal fabrication was literally within my reach – and I wanted Elpro to be a part of it," says Siniša Križnič. Determined to put her plans into practice, she called on the support of her younger sister, and co-CEO, Tina.

Elpro Križnič is headquartered in the town of Slovenska Bistrica, some 30 kilometers south-west of the regional capital Maribor. Founded in 1989 as a one-man electrical contractor, the company initially specialized in installing control cabinets and distribution boards. Over time, it steadily expanded its operations and now employs over 100 people. Company founder Ivo Križnič – Siniša's and Tina's father – retired in 2015. But the philosophy he used to turn Elpro into a successful business continues to resonate to this day.

— Garage-based business

Elpro has come a long way from its origins as a garage workshop. Today, Elpro is a sought-after partner in the energy industry and in sheet-metal fabrication, renowned for its high-quality turnkey solutions. On a plot of land at Tomašičeva 18 stands a 15,000-square-meter smart factory. Packed with cutting-edge equipment and innovative technologies, this pioneering facility also includes the largest [STOPA storage system](#) in south-east Europe. "We built this new environment through hard work, perseverance, and a lot of expertise," says CEO Siniša Križnič. She feels a strong affinity to these traditional values, as does her younger sister Tina, who handles the company's finances.
