Devil. Dare To Smash Him Ítalo Oliveira,2021-10-26 This book is the best revelation of our century A demon can be killed If it s so why does nobody discuss it Because all religions are under the devil s subliminal control and have an implicit pact with him like I don t reveal your weaknesses or talk about you and you don t wreck me This treaty was so actual that Jesus of Nazareth himself had to come to this planet to reveal it The meeting had been tense The head of that legion was furious He had come back from the meeting with his head turned into a frog s face and much shorter They all knew that he had been demoted And when that happened someone would be sacrificed mercilessly He inquired the responsibilities of each sector and each legion raged shouted foamed As the new face changed his muzzle anatomy his voice had also changed It was thinner It sounds so funny fuzzy wurd mortal None of those demons under his command didn t like him at all In fact no one liked anyone there In that same section there were other platoons Some of them were too big others were tiny There was the insecticide platoon which was microscopic They specialized in developing diseases and pests and

each platoon had its instructor It was common to have three or four refresher courses per year At the end of each internship they went to earth to practice everything they learned in the classroom This platoon was the riot and death squad they weren't the most specialized there but they fulfilled their role well In general their body measured sixty or seventy centimeters They had thick fur and looked like a porcupine The legs were tiny and the arms were twice as long as the whole body They were brown as they only caused riots they wore no horns None of them looked human they hated that shape Usually a long pointed snout or tooth was distinctive to demons specializing in terror and death They wore a face that resembled a theater mask They spent months training a new technique a new psychological weapon a new tactic When they were efficient the main leaders were promoted but when they failed they were punished by their superiors
