Brechlin,1990-02 Unlike much of the rest of Maine which is famous for its rock bound coast the South Coast is best characterized by its long flat sandy beaches Great swimming and sunning begins in Kittery just across the border from New Hampshire and continues north up the coast through York Ogunquit Well Kennebunk Biddeford and Old Orchard But the South Coast is more than just beaches There are scores of picturesque harbors quaint shops cozy inns and bed and breakfasts Portland MaineOCOs largest city reigns over the region Its famous Old Port section characterized by gas lit

cobblestone streets now bustles with trendy shops and charming restaurants and bars To the northwest is one of Maine's premier freshwater playgrounds a Sebago Lake The towns that surround it boast long proud histories predating the Revolutionary War and are themselves the gateway to New Hampshire's lofty White Mountains At the northeastern end of this region lies a Freeport home to L L Bean and dozens of other outlet and factory stores Still the South Coast has plenty to offer those who seek to cast off the cloak of civilization From nature centers bird sanctuaries and state parks in Scarborough to the Rachel Carson National Wildlife Refuge in Kennebunk to Bradbury Mountain State Park in Pownal escape from the hustle and bustle is only minutes away Here is the most detailed guide to the region with color illustrations throughout Earl Brechlin is a registered Maine Guide and a resident of Bar Harbor

To Drink from the Silver Cup Anna Redsand, 2020-08-08 Anna Redsand was sixteen when she heard her mother say of two women who'd been discovered to be lovers They're living in sin They should see a doctor She knew in that moment that she would have to leave the security and intimacy of family church and home the only world she had ever known As that world faded so too did everything that had been religious or spiritual inside her The journey was to find what she'd lost or replace it Was there a faith community that could accept Anna as a lesbian a doubter and someone committed to social justice To Drink From the Silver Cup is the story of Anna Redsand's quest It took her from a devout missionary life in the Navajo Nation into the shame and exile of being unwanted in the homeland and then beyond through the uncharted territory of different religious spiritual and political directions Always striving for authenticity continuing to long for home forty years after taking leave Anna embarked on a deliberate experiment to see if return was possible or whether too much had changed in her and too little in

the church In the past most memoirs about conflicts between fundamentalist Christianity and sexuality have been written by gay men Few if any have come to the same resolution that *To Drink From the Silver Cup* does This is a unique and memorable story with resonance for both seekers and those who have never challenged their held beliefs **Kid's Guide to Maine** Eileen Ogintz,2018-04-01 Before you plan your family s next vacation to Maine get some help from a travel professional and your kids The Kid s Guide to Maine lets the kids help plan your trip and guides you as you explore Vacationland from the southern beaches to the great north woods Inside you ll find kid tested tips on where to go where to eat what to see and where to get the best souvenirs Along the way your kids will be engaged by reading and sharing fun facts and cool travel tips Awesome games and quizzes will keep the family entertained too Fun for both visiting and local kids

Bulletin - Bureau of Education United States. Bureau of Education,1939 **A Forgotten Landscape: How A Place**

Called Crockett's Corner Became The Maine Mall M.M. Drymon PhD, 2015-10-25 A place called Crockett's Corner began as a seventeenth century colonial settlement that grew into a stable and sustainable nineteenth century American agrarian landscape. During the twentieth century in a rapid but staged process the landscape was changed into an edge city. These changes were the direct result, especially after 1938, of prevailing public policies which acted to constrain some land uses while supporting others. Landscape change has had unintended consequences including local social network destruction, historic building demolition, and unmitigated air and non point source water pollution. Raising awareness of the deep history of this place may help empower advocates for historic preservation, open space, environmental protection, and more sustainable land use practices in the future.
