Browder,2021-05-11 A comprehensive study of the lesser known organizations that formed the heart of the Nazi police state in World War II Germany The abbreviation Nazi the acronym Gestapo and the initials SS have become resonant elements of our vocabulary Less known is SD and hardly anyone recognizes the combination Sipo and SD Although Sipo and SD formed the heart of the National Socialist police state the phrase carries none of the ominous impact that it should Although no single organization carries full responsibility for the evils of the Third Reich the SS police system was the executor of terrorism and population policy in the same way the military carried out the Reich s imperialistic aggression Within the police state even the concentration camps could not rival the impact of Sipo and SD It was the source not only of the desk murderers who administered terror and genocide by assigning
