The Life of
CALIGULA

Suetonius

Suetonius Caligula

L. J. Trafford

Suetonius Caligula:

Caligula Suetonius,2015-02-26 Because of his baldness and hairiness he announced it was a capital offence for anyone either to look down on him as he passed or to mention goats in any context The biography of the brutal crazed and incestuous Roman Emperor Caligula who tried to appoint his own horse consul Introducing Little Black Classics 80 books for Penguin s 80th birthday Little Black Classics celebrate the huge range and diversity of Penguin Classics with books from around the world and across many centuries They take us from a balloon ride over Victorian London to a garden of blossom in Japan from Tierra del Fuego to 16th century California and the Russian steppe Here are stories lyrical and savage poems epic and intimate essays satirical and inspirational and ideas that have shaped the lives of millions Gaius Suetonius Tranquillus c 70 130 CE Suetonius s The Twelve Caesars is also available in Penguin Classics **Caligula** C. Suetonius Tranquillus,2019-05 Caligula Latin Gaius Julius Caesar Augustus Germanicus 31 August 12 24 January 41 AD was Roman emperor from AD 37 to AD 41 The son of the popular Roman general Germanicus and Augustus granddaughter Agrippina the Elder Caligula was born into the first ruling family of the Roman Empire conventionally known as the Julio Claudian dynasty Germanicus uncle and adoptive father Tiberius succeeded Augustus as emperor of Rome in AD 14 Although he was born Gaius Caesar after Julius Caesar he acquired the nickname Caligula meaning little soldier s boot the diminutive form of caliga from his father s soldiers during their campaign in Germania When Germanicus died at Antioch in AD 19 Agrippina returned with her six children to Rome where she became entangled in a bitter feud with Tiberius The conflict eventually led to the destruction of her family with Caligula as the sole male survivor Untouched by the deadly intrigues Caligula accepted an invitation in AD 31 to join the emperor on the island of Capri where Tiberius had withdrawn five years earlier Following the death of Tiberius Caligula succeeded his adoptive grandfather as emperor Caligula Aloys Winterling,2015-09-15 Edition statement inferred from Epilogue Suetonius' Life of Caligula D. Wardle,1994 *The Roman Empire* Colin Michael Wells,1995 This sweeping history of the Roman Empire from 44 BC to AD 235 has three purposes to describe what was happening in the central administration and in the entourage of the emperor to indicate how life went on in Italy and the provinces in the towns in the countryside and in the army camps and to show how these two different worlds impinged on each other Colin Wells s vivid account is now available in an up to date second edition **Ancient Rome's Worst Emperors** L. J. Trafford,2025-08-05 Who qualifies as the worst of Roman emperors and why Join L J Trafford for a tour of the very worst leadership in ancient Rome featuring Caligula Commodus and many more Between 27 BCE and 476 CE a series of men became Roman Emperor ruling a domain that stretched across Europe North Africa and the Near East Some of them did this rather well expanding Rome s territories further installing just laws and maintaining order within the city Others however were distinctly less successful at the job Ancient Rome s Worst Emperors takes an engaging and amusing look at the mad the bad and the catastrophically incompetent of Rome s rulers From the sadistically cruel Caligula to the hopelessly

weak Valentinian II there were many who failed dismally at the top job for a variety of reasons But what qualifies someone as a worst emperor What evidence is there to support it And should we believe any of it Join us on a tour of the very worst leadership ancient Rome has to offer as we delve into sadistic acts of cruelty paranoia run rampant poor decision making skills and the danger of being the wrong man at the wrong time From Augustus to Nero Garrett G. Fagan, Paul Murgatroyd, 2006-03-23 This reader contains selections from Tacitus Suetonius and Seneca on the first five Roman emperors They present a dark world of murder mayhem debauchery and palace intrigue Augustus with his firm moral policies and secret adulterous affairs the sour and depraved Tiberius the extravagance and madness of Caligula the slobbering and ineffective Claudius and Nero with his absurd artistic pretensions Exciting horrific and moving the selections are also valuable for studying style and rhetoric human nature and the roles of women imperialism and corruption The book is aimed at students moving on to genuine unsimplified Latin prose after completing an introductory Latin course It contains a useful introduction detailed notes providing a lot of help with grammar expression and translation a full vocabulary and an appreciation offering historical comment for context and analysis and literary criticism to make the passages come alive as literature and enhance students perception and enjoyment **Messalina** Honor Cargill-Martin, 2023-06-06 The shocking and scandalous story of Messalina the third wife of Emperor Claudius one of the most controversial women to have inhabited the Roman world The lubricious image of the Empress Messalina as a ruthless predatory and sexually insatiable schemer derived from the work of male historians such as Tacitus and Suetonius has taken deep root in the Western imagination Here the classicist Honor Cargill Martin puts this traditional narrative of Messalina to the test She looks first at Messalina s life as it is recounted in the primary sources before using material and circumstantial evidence to reconstruct each aspect of Messalina s character politician wife adulteress and prostitute Finally she explores how posterity has memorialized Messalina whether as artist s muse epitome of depraved pagan womanhood or as libertine icon portrayed in literature and film Cargill Martin sets out not to entirely rewrite Messalina s history or to salvage her reputation but to look at her life in the context of her time and to reclaim the humanity of a life story previously defined by currents of high politics and patriarchy *The Quest for the Tomb of Alexander the Great (Second Edition)* Andrew Chugg, 2012-06-01 In 2004 the author s first book *The Lost Tomb of Alexander the Great* was published to the accompaniment of international media attention since it reported the first credible suggestion as to the current whereabouts of the long vanished corpse of the illustrious conqueror In the intervening years progress by testing the candidate remains has been thwarted by the Church authorities yet much new information has emerged casting the enigma in an ever more probing light In this extensively updated and extended account the meanderings of the evidence have been tracked with scrupulous care and the tangled threads of erstwhile hidden history have been teased apart Thus the forgotten secrets of one of the greatest mysteries bequeathed to us by the ancient world are laid bare culminating in the novel suggestion that the body stolen from Alexandria

in AD828 and now in Venice may have acquired a false identity at the time that paganism was outlawed by the Emperor of Rome in the 4th century AD

History's 9 Most Insane Rulers Scott Rank, 2020-05-12

Madness and Power Can the insane rule Can insanity be a leadership quality Scott Rank says yes well sometimes in this fascinating look at nine of history's most notorious rulers from the Roman emperor Caligula to the North Korean Communist dictator Kim Jong il Rank paints intimate portraits of these deeply flawed but powerful men examining the role that madness played in their lives the repercussions of their madness on history and what their madness can tell us about the times in which they lived In *History's 9 Most Insane Rulers* you will meet King Charles VI of France who thought he was made of glass Sultan Ibrahim I who was driven mad by the sadistic succession battles of the Ottoman Empire Caligula who built temples to himself and whose reign highlighted the lethal tensions between the power of the new Imperial Rome and the prerogatives of the old Roman Republic The Russian tsar who became known as Ivan the Terrible King George III of Britain who not only lost his American colonies but lost his mind as well Bavaria's Mad King Ludwig II who left the world richer for his fabulous fairy tale castles and his patronage of the composer Richard Wagner Insane rulers did not die off with the last of the mad monarchs who inherited their power Rank also examines the rise to power of crazed modern rulers such as Idi Amin who began as a lowly army cook and rose to the presidency of Uganda and Saparmurat Niyazov who ruled Turkmenistan and promoted a bizarre cult of personality around himself Both entertaining and illuminating *History's 9 Most Insane Rulers* is a must read for anyone interested in the role insanity has played in history

This is likewise one of the factors by obtaining the soft documents of this **Suetonius Caligula** by online. You might not require more times to spend to go to the ebook foundation as without difficulty as search for them.
