

Studies In British Politics

Joel Krieger

Studies In British Politics:

The Oxford Handbook of British Politics Matthew Flinders, 2009-07-16 The Oxford Handbook of British Politics provides the most sophisticated and up to date analysis of British politics to date Essential for all those working in the area Half a Century of British Politics Lynton J. Robins, Bill Jones, 1997 Leading experts assess the past fifty years of British political life Retreat from empire to Europe with all the adjustments this entailed is explored as is the changing nature of politics at home

Rhetoric in British Politics and Society J. Atkins, A. Finlayson, J. Martin, N. Turnbull, 2014-08-05 Although the art of rhetoric is central to the practice of politics it also plays an important role in civic and private life Using Aristotelian notions of ethos pathos and logos this collection offers engaging discussions on everything from Prime Minister's Questions and Welsh devolution to political satire and the rhetoric of cultural racism **Dilemmas of Change in British Politics** Donley T. Studlar, Jerold L. Waltman, 1984-10-01 British Politics Peter John, 2022 An introduction to British politics with a unique emphasis on political science to analyse the fundamental features of British politics and the key changes post Brexit What caused the increased turbulence of British politics in recent years How do policy blunders occur and why How powerful are political parties in British politics Why did Brexit happen and what is the future of the UK EU relationship British Politics answers these fundamental questions putting political science and public at its core to provide an analytical approach to British politics It gives a clear view of the British political system covering the basic institutions of government political behavior and citizenship policy making delegation and devolution Key methods and theories such as the principal agent model rational choice theory and Bulpitt's framework of territorial politics are explored to help you analyse key issues and events such as Brexit and the Covid 19 pandemic Book jacket **Exploring British Politics** Mark Garnett, Philip Lynch, 2014-06-03 Concise comprehensive and accessible Exploring British Politics presents an insightful approach to British politics with a special emphasis on developments since the 2010 general election and the formation of Britain's first coalition government since 1945 Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance *British Politics For Dummies* Julian Knight, 2014-11-13 Your guide to British politics Packed with accessible information on the origins history and structure of the UK parliamentary system British Politics For Dummies offers a fascinating insight into the rollercoaster world of politics Explaining everything from key political ideologies and the spread of democracy to the current election process and the differences between political parties this guide is the ultimate companion to British politics and elections In the book you'll discover the origins of democracy political ideologies and the British political state how elections and British political parties really work the lowdown on parliament insight into local politics and devolution examination of British politics on the world stage and so much more Includes expanded coverage of coalition governments and how they work Features information on the key political parties including the Tories Labour the

Lib Dems and UKIP and Britain's place in Europe Focuses on the history of devolved governments in Northern Ireland Scotland and Wales Gives you plain English access to the PM the Cabinet ministers and civil servants along with the role of the courts If you're a lifelong learner interested in learning more about politics a university or sixth form student studying the topic or anyone interested in boosting their knowledge of politics British Politics For Dummies has you covered

Studies in British Politics Richard Rose, 1967 British Politics in the Global Age Joel Krieger, 1999 In *British Politics in the Global Age* Joel Krieger provides an in depth study of New Labour's model of government and the political challenges it faces Krieger analyzes the interaction of global processes and domestic politics from the organization of production to the formation of class ethnic and gender based identities The book considers how these processes compromise sovereignty complicate national identities forge new political agendas create electoral volatility and complicate the art of politics Krieger develops an original framework for analyzing New Labour in comparison to three models of social democracy and places the British case firmly in the context of alternative national models and European debates Employing an approach with potential applications well beyond the UK the book reconceptualizes globalization and introduces the concept modular politics to explain the context dependent processes of identity formation that shape and potentially destabilize contemporary politics Thoroughly researched and clearly argued *British Politics in the Global Age* is essential reading for anyone who wishes to understand the full ramifications of New Labour for both Europe and the United States Publisher description The Oxford Handbook of Modern British Political History, 1800-2000 David Brown, Robert Crowcroft, Gordon Pentland, 2018-03-29 The two centuries after 1800 witnessed a series of sweeping changes in the way in which Britain was governed the duties of the state and its role in the wider world Powerful processes from the development of democracy the changing nature of the social contract war and economic dislocation have challenged and at times threatened to overwhelm both governors and governed Such shifts have also presented challenges to the historians who have researched and written about Britain's past politics This Handbook shows the ways in which political historians have responded to these challenges providing a snapshot of a field which has long been at the forefront of conceptual and methodological innovation within historical studies It comprises thirty three thematic essays by leading and emerging scholars in the field Collectively these essays assess and rethink the nature of modern British political history itself and suggest avenues and questions for future research The Oxford Handbook of Modern British Political History thus provides a unique resource for those who wish to understand Britain's political past and a thought provoking long view for those interested in current political challenges
