Studies in Byzantine History & Modern Greek Folklore Constantine N. Tsirpanlis, 1980 *Studies in Byzantine History & Modern Greek Folklore* Constantine N. Tsirpanlis, 1980 **Ancient Greek Myth in Modern Greek Poetry** Peter Mackridge, 2023-03-31 Originally published in 1996 this volume contains essays by scholars critics and translators and includes themes such as the myth in the Cretan Renaissance and the use of ancient myth by 19th and 20th Century poets Some essays deal with individual mythical figures such as Odysseus Orpheus Prometheus and Aphrodite while others deal with the problematic issue of the use of myth by Greek women poets The discussion is completed by comparing attitudes to the ancient Greeks as embodied in English and modern Greek poetry **Literature and Culture in Late Byzantine Thessalonica** Eugenia Russell, 2013-05-23 A cultural history of one of the most important centres of the Hellenistic and Byzantine world **The Myth of the Andalusian Paradise** Darío Fernández-Morera, 2016-02-09 Scholars journalists and politicians uphold Muslim ruled medieval Spain al Andalus as a multicultural paradise a place where Muslims Christians and Jews lived in harmony There is only one problem with this widely accepted account it is a myth In this groundbreaking book Northwestern University scholar Dar o Fern ndez Morera tells the full story of Islamic Spain The Myth of the Andalusian Paradise shines light on hidden features of this medieval culture by drawing on an abundance of primary sources that scholars have ignored as well as archaeological evidence only recently unearthed This supposed beacon of peaceful coexistence began of course with the Islamic Caliphate s conquest of Spain Far from a land of tolerance Islamic Spain was marked by religious and therefore cultural repression in all areas of life and by the marginalization of Christians and other groups all this in the service of social control by autocratic rulers and a class of religious authorities As professors politicians and pundits continue to celebrate Islamic Spain for its multiculturalism and diversity Fern ndez Morera sets the record straight showing that a politically useful myth is a myth nonetheless *The Medieval Greek Romance* Roderick Beaton, 2012-05-31 First published by CUP in 1989 The Medieval Greek Romance provides basic information for the non specialist about Greek fiction during the period 1071 1453 as well as proposing new solutions to problems that have vexed previous generations of scholars Roderick Beaton applies sophisticated methods of literary analysis to the material and the bridges of the artificial gap which has separated Byzantine literature in a form of ancient Greek as both homogenous and of a high level of literary sophistication Throughout consideration is given to relations and interconnections with similar literature in western Europe As most of the texts discussed are not available in English translation the argument is illustrated by lucid plot summaries and extensive quotation accompanied by literal English renderings For this edition The Medieval Greek Romance has been revised throughout and expanded with the addition of an Afterword which assesses and responds to recent work on the subject *History of the Byzantine Empire* Aleksandr Aleksandrovich Vasil'ev, 1929 **Subject Catalog, 1982** Library of Congress, 1982 **Encyclopedia of Greece and the Hellenic Tradition** Graham

Speake,2021-01-31 Hellenism is the living culture of the Greek speaking peoples and has a continuing history of more than 3 500 years The Encyclopedia of Greece and the HellenicTradition contains approximately 900 entries devoted to people places periods events and themes examining every aspect of that culture from the Bronze Age to the present day The focus throughout is on the Greeks themselves and the continuities within their own cultural tradition Language and religion are perhaps the most obvious vehicles of continuity but there have been many others law taxation gardens music magic education shipping and countless other elements have all played their part in maintaining this unique culture Today Greek arts have blossomed again Greece has taken its place in the European Union Greeks control a substantial proportion of the world s merchant marine and Greek communities in the United States Australia and South Africa have carried the Hellenic tradition throughout the world This is the first reference work to embrace all aspects of that tradition in every period of its existence **Contingent Countryside** Susan Buck Sutton,Keith W. Adams,Argolid Exploration Project,2000 The essays in this volume are united by their attention to the many ways in which residents of Greece s southern Argolid peninsula the focus of more ethnographic and ethnohistorical study than any other comparable region of Greece have attempted to shelter feed and advance the economic situation of their families over the last three centuries
