Janes,2026-05-30 For over 40 years the Super Mario franchise has been putting smiles on the faces of kids and adults alike all around the world More than just the plucky mascot of Japanese video game publisher Nintendo though Mario has and continues to lead the way when it comes to innovation and most of all fun times This book will take you on an exciting trip back through the series long running history exploring each game to feature the famed plumber or one of his co stars kicking off with his 1985 debut in the arcade hit Donkey Kong Along the way you ll read about his unforgettable platforming adventures countless exploits in the likes of go karting tennis golf baseball partying and paper to name a few and even his breakout onto both the Hollywood and theme park scenes Mama Mia Mario certainly has been busy hasn t he In this comprehensive book you ll find well over 200 video games covering everything from the biggest and most famed hits to forgotten or surprising spin offs With each accompanied by eye catching screenshots and fascinating facts whether you re a long term Super Mario fan keen to take a nostalgic block smashing trip down memory lane or a newer visitor to the Mushroom Kingdom eager to see what exciting adventures await this book is for you [Jumping for Joy](#) Chris

Scullion,2023-10-05 The platformer is one of the most well loved video game genres ever having entertained players for over 40 years Jumping For Joy is a celebration of everything platform games have to offer spanning their entire history The first part of the book is a complete guide to every platform game starring Mario Nintendo s mascot and the most popular video game character of all time With nearly 80 games featured in this section it s the definitive history of a true gaming hero There are always two sides to every story though so the second part of the book focuses on every one of the 50 platformers starring Sonic the Hedgehog Mario s former rival After this it s the book s main course a huge 100 page section detailing 50 other iconic and notable platform games covering the entire history of gaming from the days of the Atari 2600 and ZX Spectrum all the way up to the Nintendo Switch PS5 and Xbox Series X S Whether you re a long time veteran of platform gaming or a newcomer who wants to learn more about one of the most entertaining genres in video games this is the perfect book for you And there are some bad jokes in there too if that s your thing **Who Are You?** Alex Custodio,2020-10-13

Celebrate Nintendo s Game Boy Advance in this video game history that traces the handheld s network of hardware and software afterlives In 2002 Nintendo of America launched an international marketing campaign for the Game Boy Advance that revolved around the slogan Who Are You asking potential buyers which Nintendo character game or even device they identified with and attempting to sell a new product by exploiting players nostalgic connections to earlier ones Today nearly 2 decades after its release and despite the development of newer and more powerful systems Nintendo s Game Boy Advance lives on through a community that continues to hack modify emulate make break remake redesign trade use love and play with the platform In Who Are You Alex Custidio considers each component of this network hardware software peripheral or practice to illuminates the platform s unique features as a computational system and a cultural artifact You ll learn about The evolution of Nintendo s handhelds and consoles and how they embed nostalgia into the hardware Nintendo s expansion of the

Game Boy Advance platform through interoperability Physical and affective engagement with the Game Boy Advance
Portability private space and social interaction The platformization of nostalgia Fan generated content including homebrew
hacking and hardware modding And much more Although the Game Boy Advance is neither the most powerful nor the most
popular of Nintendo s handhelds Custodio argues it is the platform that most fundamentally embodies Nintendo s reliance on
the aesthetics and materiality of nostalgia
