

5. Choose to listen to your inner voice. – Life is a courageous journey or nothing at all. We cannot become who we want to be by continuing to do exactly what we've been doing. Choose to listen to your inner voice, not the jumbled opinions of everyone else. Do what you know in your heart is right for YOU. It's your road, and yours alone. Others may walk it with you, but no one can walk it for you. And be sure to appreciate every day of your life. Good days give you happiness, bad days give you experience, and the worst days give you the best lessons. Read **Boundaries: When to Say Yes, How to Say No**
