Supernatural In Modern English Fiction:

The Supernatural in Modern English Fiction Dorothy Scarborough, 2014-11-04 The subject of the supernatural in modern English fiction has been found difficult to deal with because of its wealth of material While there has been no previous book on the topic and none related to it save Mr C E Whitmore's work on *The Supernatural in Tragedy* the mass of fiction itself introducing ghostly or psychic motifs is simply enormous It is manifestly impossible to discuss or even to mention all of it Even in my bibliography which numbers over three thousand titles I have made no effort to list all the available examples of the type The bibliography which I at first intended to publish in connection with this volume is far too voluminous to be included here so will probably be brought out later by itself It would have been impossible for me to prosecute the research work or to write the book save for the assistance generously given by many persons I am indebted to the various officials of the libraries of Columbia University and of New York City particularly to Miss Isadore Mudge Reference Librarian of Columbia and to the authorities of the New York Society Library for permission to use their priceless out of print novels in the Kennedy Collection My interest in English fiction was increased during my attendance on some courses in the history of the English novel given by Dr A J Carlyle in Oxford University England several years ago I have received helpful bibliographical suggestions from Professor Blanche Colton Williams Dr Dorothy Brewster Professor Nelson Glenn McCrea Professor John Cunliffe and Dean Talcott Williams of Columbia and Professor G L Kittredge of Harvard Professors William P Trent George Philip Krapp and Ernest Hunter Wright very kindly read the book in manuscript and gave valuable advice concerning it Professor Wright going over the material with me in detail But my chief debt of gratitude is to Professor Ashley H Thorndike Head of the Department of English and Comparative Literature in Columbia whose stimulating criticism and kindly encouragement have made the book possible To all of these and others who have aided me I am deeply grateful and I only wish that the published volume were more worthy of their assistance

The Supernatural in Modern English Fiction, by Dorothy Scarborough ... Dorothy Scarborough, 1917 *The Supernatural in Modern English Fiction* Dorothy Scarborough, 2020-04-15 THE real precursor of supernaturalism in modern English literature was the Gothic novel That odd form might be called a brief in behalf of banished romance since it voiced a protest against the excess of rationalism and realism in the early eighteenth century Too great correctness and restraint must always result in proportionate liberty As the eternal swing of the pendulum of literary history the ebb and flow of fiction inevitably bring a reaction against any extreme so it was with the fiction of the period The mysterious twilights of medievalism invited eyes tired of the noonday glare of Augustan formalism The natural had become familiar to monotony hence men craved the supernatural And so the Gothic novel came into being Gothic is here used to designate the eighteenth century novel of terror dealing with medieval materials

SUPERNATURAL IN MODERN ENGLISH FICTION DOROTHY. SCARBOROUGH,2019 **The Supernatural in Modern English Fiction (Classic Reprint)** Dorothy Scarborough,2017-09-17 It is worth noting first that modern in the title of The Supernatural in Modern English Fiction refers to the contemporary times of the author this book being originally published in 1917 That said this is a wonderful guide to the supernatural fiction of the times and perfectly timed to track the evolution towards modern horror fiction Dorothy Scarborough was a respected academic and writes in an engaging accessible style She drew on over three thousand book and short stories in the process of writing this and it is fascinating to see which stories have remained in the public conscious which have fallen out of favour and which writers from her time which are considered classics now but she did not see fit to mention The stories are classified by type and discussed as groups showing the trends of writing in progress This book is valuable both as an academic work of history tracking the changing forms of literature but even more so to the horror or supernatural story fan as it will give the background to make your reading that much more satisfying There is no doubt that after reading this your wishlist of reading will have expanded About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Supernatural in Modern English Fiction Dorothy Scarborough,2019 **The Supernatural in Modern English Fiction** Dorothy Scarborough,Dorothy Scarborough Ph D,2015-08-13 PREFACE THE subject of the supernatural in modern English fiction has been found difficult to deal with because of its wealth of material While there has been no previous book on the topic and none related to it save Mr C E Whitmore s work on The Supernatural in Tragedy the mass of fiction itself introducing ghostly or psychic motifs is simply enormous It is manifestly impossible to discuss or even to mention all of it Even in my bibliography which numbers over three thousand titles I have made no effort to list all the available examples of the type The bibliography which I at first intended to publish in connection with this volume is far too voluminous to be included here so will probably be brought out later by itself It would have been impossible for me to prosecute the research

work or to write the book save for the assistance generously given by many persons I am indebted to the various officials of the libraries of Columbia University and of New York City particularly to Miss Isadore Mudge Reference Librarian of Columbia and to the authorities of the New York Society Library for permission to use their priceless out of print novels in the Kennedy Collection My interest in English fiction was increased during my attendance on some courses in the history of the English novel given by Dr A J Carlyle in Oxford University England several years ago I have received helpful bibliographical suggestions from Professor Blanche Colton Williams Dr Dorothy Brewster Professor Nelson Glenn McCrea Professor John Cunliffe and Dean Talcott Williams of Columbia and Professor G L Kittredge of Harvard Professors William P Trent George Philip Krapp and Ernest Hunter Wright very kindly read the book in manuscript and gave valuable advice concerning it Professor Wright going over the material with me in detail But my chief debt of gratitude is to Professor Ashley H Thorndike Head of the Department of English and Comparative Literature in Columbia whose stimulating criticism and kindly encouragement have made the book possible To all of these and others who have aided me I am deeply grateful and I only wish that the published volume were more worthy of their assistance D S COLUMBIA UNIVERSITY April 1917 **The Supernatural in Modern English Fiction - Scholar's Choice Edition** Dorothy Scarborough, 2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries
