## **Supernatural Factor In Religious Revival:**

The Supernatural Factor in Religious Revivals Luther Tracy Townsend, 1877      **The Supernatural Factor in Religious Revivals** Luther Tracy Townsend, 2025-05-22 The Supernatural Factor in Religious Revivals explores the role of the supernatural in the religious revivals of the 19th century. Written by Luther Tracy Townsend and first published in 1877, this work examines the intersection of faith, spiritual experience, and historical religious movements. Townsend delves into the phenomena associated with revivals, analyzing them through a lens that considers both divine intervention and human agency. This book offers valuable insights into the religious fervor of the period, providing a historical perspective on the interplay between belief and extraordinary events. It is an essential read for those interested in the history of Christianity, the study of religious revivals, and the exploration of supernatural manifestations in religious contexts. T. Townsend, 2018-01-17 Excerpt from The Supernatural Factor in Religious Revivals: Suppositions employed in accounting for modern religious revivals are diverse and numerous; by one class of reasoners they are attributed to purely natural agencies; another class introduces into their hypotheses supernatural elements. Supernaturalism and naturalism, as would be expected, look upon revival phenomena as upon all other events from strictly opposite points of view; conclusions are consequently rigidly opposed.
