Supporting Saints Life Stories Of 19th Century Mormons:

Supporting Saints Donald Q. Cannon, David J. Whittaker, 1985 The Palgrave Handbook of Global Mormonism R. Gordon Shepherd, A. Gary Shepherd, Ryan T. Cragun, 2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin America while sustaining increasing growth in parts of Asia and Africa *Charles Ellis Johnson and the Erotic Mormon Image* Mary Campbell, 2016-12-05 One of the church s favorite photographers Johnson 1857 1926 spent the 1890s and early 1900s taking pictures of Mormonism s most revered figures and sacred sites At the same time he did a brisk business in mail order erotica creating and selling stereoviews that he referred to as his spicy pictures of girls Situating these images within the religious artistic and legal culture of turn of the century America Campbell reveals the unexpected ways in which they worked to bring the Saints into the nation s mainstream after the scandal of polygamy Publisher description *Mormon History* Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001 **The ^APolygamous Wives Writing Club** Paula Kelly Harline, 2014-05-19 Paula Harline explores how Mormon polygamy was experienced in its heyday by looking at the diaries of 29 obscure polygamous wives The personal writings of these women paint a vivid and sometimes disturbing picture of an all but vanished yet still controversial way of life From the Outside Looking In Reid L. Neilson, Matthew J. Grow, 2016 This book contains fifteen essays from leading historians and religious studies scholars each originally presented as the annual Tanner lecture at the conference of the Mormon History Association Approaching Mormon history from a variety of angles such as gender identity creation American imperialism and globalization these scholars all experts in their fields but new to the study of Mormon history itself ask intriguing questions about Mormonism s past and future and analyze familiar sources in unexpected ways **For All the Saints** Kristen Smith Dayley, 2023-02-02 This is a book about everyday heroes a story of divine importance In this inspirational collection of true stories you ll see how the Lord connects us with others and magnifies our works into greatness Filled with experiences that will benefit every ward and every organization For All the Saints is a moving and memorable read you ll want to share with family and friends Excavating Mormon Pasts Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the

Special Book Award from the John Whitmer Historical Association *Excavating Mormon Past* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century *Joseph Smith's Polygamy, Volume 3: Theology* Brian C. Hales, 2013-02-26 Americans of Joseph Smith's day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy It was long abandoned Christians understood by the time Jesus set forth the dominating law of the New Testament But how did Joseph Smith understand it Where did it fit in the restitution of all things Acts 3:21 predicted in the New Testament What part did it play in the global ideology declared by this modern prophet who produced new scripture new revelation and new theology During Joseph Smith's lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice As a result reconstructing Joseph Smith's theology of plurality is a task that has seldom been undertaken Most theological examinations have either focused on its development during Brigham Young's Utah period with its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith's lifetime then assembles the doctrinal principles from his recorded addresses the diary entries of those closely associated with him and his broader teachings on the related topics of obedience to God's will marriage and family relations and the mechanics of eternal progression salvation and exaltation The revelation he dictated in July 1843 that authorized the practice of eternal and plural marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines Attempts to explain the history of Joseph Smith's polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed This volume which takes those principles and evidences with the utmost seriousness has produced the most important explanation of why this ancient practice reemerged among the Latter-day Saints on the shores of the Mississippi in the early 1840s **Settling the Valley, Proclaiming the Gospel** Reid L. Neilson, Nathan N. Waite, 2017-02-01 After the murder of Joseph Smith in 1844 Mormon leaders organized a massive exodus of church members from the plains of Illinois to the safety of Utah In their first decade in the Salt Lake Valley Brigham Young and his counselors in the church's First Presidency produced the fourteen general epistles These letters collected here provide invaluable perspectives on the events of Mormon history as they unfolded during this complex transitional time
