him a thirty five year old graduate student of the Naval Academy Lieutenant Commander Charles Swift No one expected Swift to mount much of a defense Not only were the rules of the tribunals America s first in more than fifty years stacked against him his superiors at the Pentagon were pressuring him to persuade Hamdan to plead guilty But Swift didn t believe that the tribunals were either legal or fair so he enlisted a young Georgetown law professor named Neal Katyal to help him sue the Bush administration over their legality In the spring of 2006 Katyal who had almost no trial experience took the case to the Supreme Court and won The landmark ruling has been called the Court s most important decision ever on presidential power and the rule of law Written with the cooperation of Swift and Katyal *The Challenge* follows the braided stories of Swift s intense precarious relationship with Hamdan and the unprecedented legal case itself Combining rich character portraits and courtroom drama reminiscent of Jonathan Harr s *A Civil Action* with sophisticated yet accessible legal analysis *The Challenge* is a riveting narrative that illuminates some of the most pressing constitutional questions of the post 9 11 era
