Sure Victory:

Enduring Vietnam James Wright, 2024-07-02 This powerful and heartbreaking history of the Vietnam War looks not only at the conflict but the generation caught up in its horrors and consequences Booklist The Vietnam War is largely recalled as a mistake either in the decision to engage there or in the nature of the engagement Or both Veterans of the war remain largely anonymous figures accomplices in the mistake Critically recounting the steps that led to the war this book does not excuse the mistakes but it brings those who served out of the shadows *Enduring Vietnam* recounts the experiences of the young Americans who fought in Vietnam and of families who grieved those who did not return The book describes the baby boomers growing up in the 1950s why they went into the military what they thought of the war what it was like to serve in Nam and to come home With a rich narrative of the Battle for Hamburger Hill and through substantial interviews with those who served the book depicts the cruelty of this war and its quiet acts of courage James Wright s *Enduring Vietnam* provides an important dimension to the profile of an American generation and a rich account of an American War *Editor & Publisher* ,1918 Special features such as syndicate directories annual newspaper lineage tabulations etc appear as separately paged sections of regular issues *Mother's Advice* Sunny Abakwue, 2015-04-14 Mothers Advice is a book of poems These poems are the light of true living A great house is built on the solid foundation From the solid foundation are the strong pillars The poems in this book are arranged in subsets known as pillars These pillars are the living virtues of human existence **Survival and Consolidation** Richard K. Debo, 1992-04-27 With victory in sight the Bolsheviks turned their attention to the consolidation of power within the former Russian empire When they took power in 1917 the Bolsheviks believed their revolution had to spread beyond Russia or perish Neither happened and in the spring of 1921 at the end of hostilities they stood alone in the wreckage of the former Tsarist empire The Bolsheviks had in Lenin s words won the right to an independent existence This entirely unforeseen situation surprised both them and their enemies Debo shows however that nothing predetermined that Soviet Russia would at the end of the civil war enjoy an independent existence or even exist at all He suggests that a wide range of circumstances contributed to the eventual outcome of the war and that it could have ended indecisively In his evaluation of the Soviet diplomatic achievement Debo describes their successes with Britain Poland and Germany their continuing difficulties with Romania France and the United States and the threat from the Far East This diplomatic success he maintains was the result of Soviet victory in the civil war and the patient pursuit of realizable objectives *Soviet Life* ,1975 **Bostonia** ,1914 **The Search for Tactical Success in Vietnam** Andrew Ross, Robert Hall, Amy Griffin, 2015-09-25 From 1966 to 1971 the First Australian Task Force was part of the counterinsurgency campaign in South Vietnam Though considered a small component of the Free World effort in the war these troops from Australia and New Zealand were in fact the best trained and prepared for counterinsurgency warfare However until now their achievements have been largely overlooked by military historians The Search for Tactical Success in Vietnam sheds new light on this

campaign by examining the thousands of small scale battles that the First Australian Task Force was engaged in The book draws on statistical spatial and temporal analysis as well as primary data to present a unique study of the tactics and achievements of the First Australian Task Force in Phuoc Tuy Province South Vietnam Further original maps throughout the text help to illustrate how the Task Force s tactics were employed *The Vampire Revolution: A Hate to Love Fated Mate Romance (Avowed By The Moonlight Book 3)* happywriter18,2022-12-26 Desire for love Desire for power And desire for blood All of them was avowed by the moonlight Silvanah the descendant and the only remaining living creature under the bloodline of silver wolf pack thought that she s living a normal human life together with her stepparents and stepsister Not until when she met Blake the unknown alpha of the golden wolf pack Blake awakened her werewolf instincts and as she turned eighteen on the third full moon of the year she was forced to be mated with Blake by her own body Little did they know that night will change everything including their fate Witness how the alpha and the fated luna survive in the struggles of their lives specially when vampires and other powerful creatures who will test their bond entered into the story *Army History* ,1989
