Surgical Oncology:

Surgical Oncology Bo Arnesjo,Ian Burn,Louis Denis,Francesco Mazzeo,2012-12-06 In oncology today the accent lies on a multi disciplinary approach and consequently this handbook aims to provide wide ranging information regarding all aspects of the surgical treatment of cancer It deals with the basic subjects the biology of cancer detection and diagnosis and treatment concepts From screening to the application of markers from new transplantation techniques to psychological aspects an overall picture is presented The surgeon will find chapters to enhance his knowledge of those areas which may not have required his attention until now This volume should serve as a valuable reference for many years to come

Principles and Practice of Surgical Oncology Howard Silberman,Allan W. Silberman,2012-03-28 Principles and Practice of Surgical Oncology uniquely emphasizes a multidisciplinary integrated approach to the treatment of solid tumors It presents treatment strategies that combine surgery with preoperative or postoperative adjunctive chemotherapy hormonal therapy and or radiation therapy to achieve optimal outcome The book features contributions from surgeons basic scientists pathologists radiologists radiation therapists and medical oncologists and offers a comprehensive presentation of genetics molecular biology pathogenesis and multimodal therapeutic approaches A unique feature of the book is a commentary following each chapter which describes alternative approaches and discusses controversial areas of current therapy A companion Website will offer the fully searchable text with images

Surgical Oncology Quyen D. Chu,John F. Gibbs,Gazi B. Zibari,2014-10-20 This volume provides a comprehensive perspective on surgical oncologic diseases that are relevant to those who have an interest in surgical oncology Its purpose is to distill a voluminous amount of information to readers so they will have the opportunity to apply relevant information and knowledge to their particular needs Each chapter is written by experts in their field who provide concise and in depth information on their topic and supply references to key articles Illustrations diagrams and photographs are included to assist the visual learners Each chapter begins with bulleted key points to focus the readers on the material that will be covered and concludes with an appendix that summarizes the salient points This unique set up can be used as a tool to quickly review the topic at hand The text also includes a set of short questions and answers at the end of each chapter to reinforce the salient points Surgical Oncology A Practical and Comprehensive Approach is a valuable resource for Medical students surgical oncology fellows general surgeons and educators

Textbook of Surgical Oncology Graeme J. Poston,Daniel Beauchamp,Theo Ruers,2007-11-15 Surgery alone cures more than 60% of those patients whose cancer are amenable to curative treatment Surgical oncology is not universally accepted as a unified discipline worldwide There are many reasons for this situation including the drive to anatomic site specialization but also the need to provide comprehensive general surgical provision to more isolated and rural communities Textbook of Surgical Oncology written by a highly acclaimed list of international authors comprehensively covers the role of the surgical oncologist in the management of patients with solid tumors This book provides a state of the art review of cancer
