they need to understand and tackle inequality and provide meaningful help to the people most in need **Routledge Handbook of African Social Work Education** Susan Levy,Uzoma Odera Okoye,Pius T. Tanga,Richard Ingram,2024-06-06 This timely Routledge Handbook creates a much needed space to explore what makes social work uniquely African as well as shaping informing and influencing a new culturally relevant era of social work The specific focus on social work education offers approaches to transition away from the hegemony of Western literature knowledge and practice models underpinning African social work education The authors identify what is relevant and meaningful to inform influence and reconceptualise culturally relevant social work curriculum Covering Botswana Cameroon Ethiopia Ghana Guinea Kenya Malawi Nigeria South Africa Tanzania Uganda Zambia and Zimbabwe the Handbook comprises both empirical and conceptual chapters multiple approaches case studies and key debates on social work education It is structured in four parts Approaches to Indigenising Decolonising and Developing Culturally Relevant Social Work Education Social Work Education Evolution across Contexts Embedding Field Practicum into Social Work Education Knowledge Exchange between the Global South and Global North The range of indigenous local knowledge that the Handbook presents is crucial to social work evolving and facilitating for reciprocal learning and knowledge exchange between the Global South and Global North Whilst the context of the Handbook is Africa the topics covered are relevant to a global audience engaged in social justice work across social work social welfare social development and sustainability *Supporting Struggling Students on Placement* Jo Finch,2017-03-29 Are you a practitioner supervisor practice educator mentor or university tutor supporting students who are struggling on or failing their practice placement Here is the practical guidance you need Jo Finch draws on both her own experience training Practice Educators and international multi disciplinary research and literature Chapters examine the signs and symptoms of a struggling student emotional impact and emotional processes of decision making and strategies for working effectively with students and academic institutions Reflective exercises enable you to bring these methods to your own practice The ideas here will further knowledge and engender confidence for any teachers assessors and supervisors on courses with a practice learning component [Handbook of Teaching and Learning Social Research Methods](#) Melanie Nind,2023-09-06 This comprehensive Handbook illustrates the wide range of approaches to teaching and learning social research methods in the classroom online in the field and in informal contexts Bringing together contributors from varied disciplines and nations it represents a landmark in the development of pedagogical culture for social research methods **Field Guide for Research in Community Settings** M. R. Islam,Niaz A. Khan,Siti H.A.B. Ah,Haris A. Wahab,Mashitah B. Hamidi,2021-05-28 This insightful book offers practical advice to fieldworkers in social research enabling robust and judicious applications of research methods and techniques in data collection It also outlines data collection challenges that are commonly faced when working in the field **Field Education: Oxford Bibliographies Online Research Guide** Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of

information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

Higher Education Classrooms as Places for Inquiry: Stories and Methods from Practitioner Researchers Logan, Stephanie R.,Lyons, Emily,2025-07-29 In higher Education classrooms the transmission of knowledge is vital in intellectual growth In this era of rapid social and global change fostering a culture of inquiry in a classroom is essential to engage students These learning environments encourage students to question assumptions and engage in diverse perspectives Higher education classrooms can be intentionally designed and facilitated as dynamic spaces for inquiry empowering students to take ownership of their learning and contribute meaningfully to academic and societal discourse Higher Education Classrooms as Places for Inquiry Stories and Methods from Practitioner Researchers explores similar ethical epistemological and political issues raised across different research genres This book presents an array of practitioner research genres from action participatory action research teacher research self study the scholarship of teaching and learning and more Covering topics such as digital learning practitioner inquiry and teaching experiences this book is an excellent resource for educators administrators policy makers pre service educators researchers academicians and more

Routledge International Handbook of Nurse Education Sue Dyson,Margaret McAllister,2019-11-26 While vast numbers of nurses across the globe contribute in all areas of healthcare delivery from primary care to acute and long term care in community settings there are significant differences in how they are educated as well as the precise nature of their practice This comprehensive handbook provides a research informed and international perspective on the critical issues in contemporary nurse education As an applied discipline nursing is implemented differently depending on the social political and cultural climate in any given context These factors impact on education as much as on practice and are reflected in debates around the value of accredited programmes and on the job training apprenticeship undergraduate and postgraduate pathways into nursing Engaging with these debates amongst others the authors collected here discuss how through careful design and delivery of nursing curricula nurses can

be prepared to understand complex care processes complex healthcare technologies complex patient needs and responses to therapeutic interventions and complex organizations The book discusses historical perspectives on how nurses should be educated contemporary issues facing educators teaching and learning strategies the politics of nurse education education for advanced nursing practice global approaches and educating for the future Bringing together leading authorities from across the world to reflect on past present and future approaches to nurse education and nursing pedagogy this handbook provides a cutting edge overview for all educators researchers and policy makers concerned with nurse education **Greening**

Social Work Education Susan Hillock, 2024-03-01 Despite urgent calls for global action sustainable social work practice and a solid green theoretical knowledge base North American social work and helping professions have been slow to learn from community activists acknowledge the international climate emergency and act collectively to achieve climate justice Greening Social Work Education examines how social work educators can best incorporate sustainability content into social work curricula integrate green teaching methods and mobilize students and colleagues towards climate action justice and leadership Drawing on Canadian content this collection highlights Indigenous eco feminist collective action and multi interdisciplinary approaches to social work The book provides a rationale for why the topic of greening is important for social work and the helping professions discussion of current debates tensions and issues useful ideas related to innovative interdisciplinary theoretical approaches analyses and constructs and practical recommendations for teaching green social work education In doing so Greening Social Work Education strives to help social workers and educators gain the confidence and tools they need to transform their teaching and curricula Learning to Practise Social Work Mark Doel, 2002 This text deals with current issues in practice teaching and learning in social work drawing together the knowledge and experiences of those from different countries working in a variety of social work settings The Palgrave Handbook of Global Social Work Education Sajid S.M., Rajendra Baikady, Cheng Sheng-Li, Haruhiko Sakaguchi, 2020-10-23 This handbook addresses the issues and challenges of the delivery of social work education in the contemporary world It provides an authoritative overview of the key debates switching the lens away from a Western centric focus to engage with a much broader audience in countries that are in the process of modernization and professionalization alongside those where social work education is more developed Chapters tackle major challenges with respect to curriculum teaching practice and training in light of globalization providing a thorough examination of the practice of social work in diverse contexts This handbook presents a contribution to the process of knowledge exchange which is essential to global social work education It brings together professional knowledge and lived experience both universal and local and aims to be an essential reference for social work educators researchers and students Challenges, Opportunities and Innovations in Social Work Field Education Ronnie Egan, Nicole Hill, Wendy Rollins, 2020-11-12 This book collates and analyses the current research debates opportunities and practices in social work field education into one volume and contextualises this material within the broader context of social

work Current concerns about risk and uncertainty in field education are explored from multiple stakeholder perspectives Social work field education is an integral component of social work education yet its sustainability is increasingly challenged Issue such as finding enough quality placements with accredited social workers curriculum development student diversity and placement assessment of learning are being examined by researchers and practitioners alike This represents a challenge for the social work profession generally By drawing on traditional and alternative pedagogical perspectives on field education and constructions of risk and uncertainty evident in current discourse the book presents innovative responses to existing challenges Providing a reference point for future knowledge building in sustainable field education pedagogy and practice this book will interest university field education programs and industry field educators internationally
