*Called Beyond Our Selves* Erin VanLaningham, 2024 Higher education today faces challenges from all sides but college can provide young people with an opportunity to explore what it means to live a meaningful life Increasingly undergraduate education encourages students to reflect on their many callings in life but this does not need to be a purely individual pursuit This volume provides an argument for helping students to think about the interconnectedness of individual and communal life as they reflect on their various vocations

Geography of Time, Place, Movement and Networks, Volume 2 Stanley D. Brunn, 2024-05-23 This book explores journeys in a time context with a focus on places place meanings and landscapes Whether the journey relates to ancient or modern trails roads or railroads or a historical or contemporary pilgrimage or a tourist venture in social contexts the book addresses the importance of places and environmental settings whereby time itself is described and defined in multiple contexts The chapters discuss among others archaeological and pre history settings tourism settings and heritage events as well as regional and transnational migration routes and those used by historical nomadic cultures and postmodern nomads Some time and place journeys are fluid and dynamic and re interpreted while for others there is much sameness in the visible

landscapes Retaining the past and reconstructing the past are both journeys That sameness concept is also applied to cultural and political worlds where there is little progress or reform to address social welfare and empowerment This book opens the door for exploring shallow and deep journeys by those in the humanities and social sciences at local national and regional scales     *The Practice of University History Teaching* Alan Booth,Paul Hyland,2000 This work provides a guide to good practice and its development in the teaching and learning of history in universities and colleges It examines recent thinking on the teaching of the subject surveys practices and provides advice to teachers     Exploring Signature Pedagogies Regan A. R. Gurung,Nancy L. Chick,Aeron Haynie,2023-07-03 From the Foreword These authors have clearly shown the value in looking for the signature pedagogies of their disciplines Nothing uncovers hidden assumptions about desired knowledge skills and dispositions better than a careful examination of our most cherished practices The authors inspire specialists in other disciplines to do the same Furthermore they invite other colleagues to explore whether relatively new interdisciplinary fields such as Women s Studies and Global Studies have or should have a signature pedagogy consistent with their understanding of what it means to apprentice in these areas Anthony A Ciccone Senior Scholar and Director Carnegie Academy for the Scholarship of Teaching and Learning How do individual disciplines foster deep learning and get students to think like disciplinary experts With contributions from the sciences humanities and the arts this book critically explores how to best foster student learning within and across the disciplines This book represents a major advance in the Scholarship of Teaching and Learning SoTL by moving beyond individual case studies best practices and the work of individual scholars to focus on the unique content and characteristic pedagogies of major disciplines Each chapter begins by summarizing the SoTL literature on the pedagogies of a specific discipline and by examining and analyzing its traditional practices paying particular attention to how faculty evaluate success Each concludes by the articulating for its discipline the elements of a signature pedagogy that will improve teaching and learning and by offering an agenda for future research Each chapter explores what the pedagogical literature of the discipline suggests are the optimal ways to teach material in that field and to verify the resulting learning Each author is concerned about how to engage students in the ways of knowing the habits of mind and the values used by experts in his or her field Readers will not only benefit from the chapters most relevant to their disciplines As faculty members consider how their courses fit into the broader curriculum and relate to the other disciplines and design learning activities and goals not only within the discipline but also within the broader objectives of liberal education they will appreciate the cross disciplinary understandings this book affords     **Resilience Process and Its Personal and Social Bases** Chau Kiu Cheung,2024-10-30 This book is to elucidate personal and social bases for personal resilience thus addressing the issue concerning the predominance of social factors in shaping resilience Essentially the book starts with a clarification of resilience as a phenomenon rather than a trait The clarification also identifies the personal bases in terms of the resilience process which specifies belief about resilience as a precursor to learning about

resilience action for resilience and resilience successively To justify the personal and social bases the book expounds the analytical functionalist framework to specify voluntaristic and deterministic mechanisms to perform the four requisite functions of goal attainment adaptation integration and latency Equipped with the conceptual and theoretical grounds the book proceeds to scrutinize the effects of personal and social factors on resilience and its process The personal factors include personal background characteristics personality functional disability and various beliefs whereas the social factors include experiences of caring peace violence and social exclusion in society kindness sociability and aid from other people and social capital The scrutiny engages five databases about 6 948 Chinese people in Hong Kong and neighboring Chinese cities composed of the public service users older adults students and people with visual impairment Overall the book presents ample theoretical and empirical substances to clarify the genesis of resilience Doing Research to Improve Teaching and Learning Kimberly M.
