Spotlighting the Strengths of Every Single Student Elsie Jones-Smith, 2011-08-03 This book explains how a teaching system focused on identifying and stoking each student s strengths rather than concentrating on deficits can bring remarkable academic improvement and achievement It s a familiar and seemingly logical model to improve performance identify weaknesses and target these problem areas Could doing the opposite be a better way Licensed clinical psychologist Elsie Jones Smith argues that strengths based systems are indeed more effective not just in social work where the philosophy became popular or in the business world where the concept is increasingly being embraced but in the academic setting as well Spotlighting the Strengths of Every Single Student Why U S Schools Need a New Strengths Based Approach explains how and why a system that focuses on students strengths enables kids to be self confident goal directed and to possess a stronger sense of self efficacy self control and academic achievement Jones Smith also explains how such a system spurs appreciation and advancement of multiple intelligences which in turn gives students the ability to address weaknesses on their own Another plus this approach has also been shown to generally reduce school disciplinary actions and increase class attendance time *Study Guide for CTET Paper 1 (Class 1 - 5 teachers) with Past Questions 5th Edition*
