Dr. Wendi Sargeant, 2015-07-24 All signs point to Christian education having lost its theological location and prominence in the life of the Western Protestant church The Emerging Church movement as an intentionally postmodern approach to ministry in the contemporary context may however offer insights to reinterpret Christian education This significant movement in today s church gives Christian education a new interpretive framework that is theologically located at an intersection of doxology and doctrine In her examination of postmodern faith formation Wendi Sargeant explores the importance of the Christian worshipping community as the most appropriate setting for Christian education Practitioners and students will benefit from the ready to use teaching and learning matrix and all those with interest in the formation of faith in themselves and others will draw much from the way Sargeant situates worship as the basis for enhancing Christian formation and ethos **Prayer, Prophecy, Discipleship and The Holy Spirit** Curtis Lee Marsh, 2015-10-27 In this Book the Prayer Prophecy Discipleship and The Holy Spirit is a basic Textbook style of simple studies of a beginning scholar entering into the deep waters of God s apostolic calling It introduces you to the order in which

God developed Apostle Curtis Marsh's calling Character and competency in Affirming his Office of the Apostle Through his first two Chapters being about prayer he felt that God has charged him with prayer to be the Lifeline of his five fold apostolic gifts He expresses how prayer can change your life situations as it did his Therefore quoted by Apostle Marsh knowing the will of God's word in prayer is part of the believers driving power as he petitions God However prayer as stated by Apostle Marsh gives insight on matters and issues of the heart of God Nevertheless this book provides a comprehensive textbook style view for those who do not have the ability or time to research and understand Biblical terminology when it comes to text content and context of theological doctrine as well The uniqueness of this book is to guide already trained lay leaders and potential laid leaders in an upscale fast track training and study guide text to understanding the apostolic way of life This is the life that Jesus Christ walked and lived in This creates an atmosphere of Spiritual physical and social well being benefits for the lay members as well as the community they live in This book is also recommended by Apostle Marsh for colleges around the world to draw from the basic research and knowledge of simple modern day terminology This book is not just for a particular group or audience It has the ability to connect non believers as well as a believer with a greater influence and regard for the Kingdom of God The effectiveness of this book will affect your ministry allowing it to grow in every area God intended it to The practical applications of this book are design to move your lay leaders forward in a framework of their God given purpose and plan For I know the thoughts that I think toward you saith the LORD thoughts of peace and not of evil to give you an expected end Then shall ye call upon me and ye shall go and pray unto me and I will hearken unto you And ye shall seek me and find me when ye shall search for me with all your heart Jeremiah 29 11 13      Following the Lamb Keith T. Marriner, 2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost      Luke 6:40 and the Theme of Likeness Education in the New Testament Thomas W. Hudgins, 2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6 40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the

Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6 40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6 40 and its immediate context 2 Luke Acts and 3 the New Testament corpus
