Teaching of the Prophets R. Clayston Brough, 1993-06-01      **Healing Souls** Eric G. Swedin, 2022-08-15 In this first history of psychotherapy among the Latter day Saints Eric G Swedin describes how modern psychology has affected the healing of souls in the LDS community But he also shows how this community melded its theological doctrines with mainstream psychiatry when secular concepts clashed with fundamental tenets of Mormonism The psychological professions pervasive in twentieth century American society were viewed as dangerous by some religious communities Healing Souls describes the LDS community s mixed feelings about science and modernity while valuing knowledge Mormons feared a challenge to faith Nonetheless psychology courses were introduced at Brigham Young University and LDS psychotherapists began to introduce new ideas and practices to the community Swedin portrays the rise of professional organizations such as the Association of Mormon Counselors and Psychotherapists as well as the importance of Allen E Bergin first director of the BYU Institute for Studies in Values and Human Behavior Bergin and others paved the way for the LDS adoption of professional psychotherapy as an essential element of their cure of souls Important chapters take up LDS psychopathology feminist dissent LDS philosophies of sexuality and the LDS rejection of mainstream psychotherapy s selfist psychology on the basis of theological doctrines of family salvation eternalism and the natural man Healing Souls contributes to a more complete historical picture of the mental health professions in North America and a better understanding of how religious traditions and psychology have influenced each other      *The Mormon Mirage* Latayne C. Scott, 2010-08-03 In the first edition of *The Mormon Mirage* Latayne C Scott shared her remarkable journey out of Mormonism as she uncovered shocking inaccuracies inconsistencies and contradictions in the faith she had loved and lived Thirty years later Mormonism and Mormon scholarship have evolved with the times In this third revised and updated edition of her well known book Scott keeps pace with changes and advances in Mormonism and reveals formidable new challenges to its claims and teachings *The Mormon Mirage* provides fascinating carefully documented insights into DNA research s withering implications for the Book of Mormon the impact of new revelations on Latter day Saint LDS race relations new findings about Mormon history increasing publicity about LDS splinter groups particularly polygamous ones recent disavowals of long held doctrines by church leadership the rise of Mormon apologetics on the Internet More than a riveting insider s scrutiny of the Mormon faith this book is a testimony to the trustworthiness of Scripture and the grace of Jesus Christ      Brigham Young University Studies , 1994 A voice for the community of LDS scholars      *Satanism: A Social History* Massimo Introvigne, 2016-08-29 A 17th century French haberdasher invented the Black Mass An 18th century English Cabinet Minister administered the Eucharist to a baboon High ranking Catholic authorities in the 19th century believed that Satan appeared in Masonic lodges in the shape of a crocodile and played the piano there A well known scientist from the 20th century established a cult of the Antichrist and exploded in a laboratory experiment Three Italian girls in 2000 sacrificed a nun to the Devil A Black Metal

band honored Satan in Krakow Poland in 2004 by exhibiting on stage 120 decapitated sheep heads Some of these stories as absurd as they might sound were real Others which might appear to be equally well reported are false But even false stories have generated real societal reactions For the first time Massimo Introvigne proposes a general social history of Satanism and anti Satanism from the French Court of Louis XIV to the Satanic scares of the late 20th century satanic themes in Black Metal music the Church of Satan and beyond *Subject Guide to Books in Print* ,1997 **What Every Mormon (and Non-Mormon) Should Know** Edmond C. **The ^ANext Mormons** Jana Riess,2019-02-01 About three quarters of people who grew up Mormon used to remain in the LDS Church but in recent years this number has dropped to about half This book draws on survey research and interviews to explain why so many young adults are leaving the faith placing the Mormon story in the broader context of rising secularism in America Along the way it gives personal stories of Mormons missionary and temple experiences unpacks changing understandings of the family and explores the generational fallout of the religion s political conservatism

*Mormonism* W. Paul Reeve,Ardis E. Parshall,2010-08-13 Covering its historic development important individuals and central ideas and issues this encyclopedia offers broad historical coverage of The Church of Jesus Christ of Latter day Saints Mormonism A Historical Encyclopedia helps readers explore a church that has gone from being an object of ridicule and

sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders among its members including former Massachusetts governor and recent presidential candidate Mitt Romney The encyclopedia begins with an overview of The Church of Jesus Christ of Latter day Saints six essays cover the church s history from Joseph Smith s first vision in 1820 to its current global status This provides a context for subsequent sections of alphabetically organized entries on key events and key figures in Mormon history A final section looks at important issues such as the church s organization and government its teachings on family Mormonism and blacks Mormonism and women and Mormonism and Native Americans Together these essays and entries along with revealing primary sources portray the Mormon experience like no other available reference work

**Understanding Your Mormon Neighbor** Ross Anderson, 2011-09-20 In Understanding Your Mormon Neighbor Ross Anderson seeks to help Christians relate to Latter day Saints by giving insights into Mormon life and culture Anderson s work is supported both by his lifetime of experiences growing up Mormon and by current research that utilizes many Latter day Saints own sources This book explains core stories that form the Mormon worldview experiences that shape the community identity of Mormonism and how Mormons understand truth Anderson shares how most Mormons see themselves and others around them illuminating why people join the LDS Church and why many eventually leave Latter day Saints will find the descriptions of their values practices and experiences both credible and familiar Understanding Your Mormon Neighbor suggests how Christians can befriend Latter day Saints with confidence and sensitivity and share the grace of God wisely within their relationships Anderson includes discussion questions for individuals and small groups black and white photographs and charts and an appendix that includes Are Mormons Christians and Should I Vote for a Mormon

**Modern Polygamy and Mormon Fundamentalism** Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one s preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a

compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate *Encyclopedia of Christianity in the United States* George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation
