Teaching Palliative Care A Practical Guide

David Jeffrey

Teaching Palliative Care A Practical Guide:

Teaching Palliative Care David Jeffrey, 2018-07-27 Education of healthcare professionals is the cornerstone of specialist palliative services This book is a practical toolbox of teaching techniques Accessible practical and easy to use it will encourage busy clinicians to teach by increasing their confidence in their training abilities It provides a resource of various tools and describes how to approach teaching in a team planning methods and evaluation Each chapter presents a menu of tried and tested techniques and closes with examples of lesson plans The multidisciplinary experiences of the contributors are reflected in the book and healthcare professionals working in palliative care hospitals hospices or the community will find it to be essential reading

Teaching Palliative Care David Jeffrey, 2002 This work provides a practical resource of teaching techniques aiming to encourage busy clinicians to teach by increasing their confidence in their training abilities It describes how to approach team teaching planning teaching methods and evaluation

Palliative Care: A Practical Guide for the Health Professional Kathryn Boog, Claire Tester, 2007-10-23 This book encourages health professionals to reconceptualise their practice in the light of the fact that their patients are deteriorating and dying supporting them in their dichotomous role which involves affirming that person's life whilst acknowledging that that life is ending Professionals are encouraged to think laterally to be creative in their use of their core skills and to use their life skills and experience to change the focus of their interventions By making these changes those involved with caring for the dying will be able to address issues related to burnout and feeling de-skilled The authors share their considerable experience with the reader what works for both patient and carer professional when working in this field By providing workable solutions they empower those in disempowering situations such as when working with terminally ill children and adults The book is truly holistic and client centred in its approach upholding the philosophy of palliative care Aimed at all who interact with children and adults who have a life limiting condition or who are dying Offers practical examples of approaches to dilemmas and emotional issues commonly faced by those working in palliative care Encourages professionals to think laterally to be creative in their use of core skills and to use their life skills and experience to change the focus of their interventions Moves the emphasis away from the medical model to the emotional and spiritual influences on quality of life Offers clear workable guidelines and demonstrates practical solutions based on proven theory and experience to problems encountered on a day to day basis by patients and those coming into contact with them

A Practical Guide to Palliative Care Jerry L. Old, Daniel Swagerty, 2007 Designed for easy use at the bedside this manual contains the practical information health care professionals need to provide optimal end of life care The book presents a multidimensional holistic approach to assessment and management of the physical psychological social and spiritual needs of the patient and family Topics covered include cultural diversity in end of life care communicating with patients and families predicting life expectancy terminal care non pain symptom management pain control palliative interventions pediatric palliative care record keeping and ethics The succinct user friendly presentation

features bullet points and numerous quick reference tables Each chapter includes an In a Nutshell summary of key points

Delivering Cancer and Palliative Care Education Lorna Foyle, Janis Hostad, 2018-12-14 The quality of cancer and palliative care is going through unprecedented change and development as a result of policy initiatives The impact of these policies on education is unparalleled and it is essential that clinicians and educationalists are aware of the policy formation processes and educational strategies that meet the demands of these changing times This book takes a holistic approach to patient care and draws on the diverse experience in hospices and highlights best practice to present a comprehensive and practical guide However it does more New topics are given an educational perspective those with limited educational experience are given sound advice the implication of policy change is outlined This is an important book and one which should be read by all clinicians educators and managers responsible for improving services in cancer and palliative care **Innovations in**

Cancer and Palliative Care Education Lorna Foyle, Janis Hostad, 2017-10-03 This work includes Foreword by Nigel Sykes Medical Director St Christopher's Hospice London This practical evidence based guide has been specifically designed for teachers in cancer and palliative care It is completely up to date and covers the recent complex changes in cancer and palliative care delivery offering a range of different creative approaches Ideal for training the text includes highlighted key points self help questions for reflection and references where applicable It provides invaluable guidance for all healthcare professionals with palliative care teaching responsibilities including undergraduate and postgraduate healthcare educators and Macmillan lecturers This book gives us a three dimensional view of how to respond to the demands on cancer and palliative care education today set particularly in a British context but of course capable of extrapolation to other settings These three dimensions of innovation can be summarised as What do you teach How do you teach it To whom do you teach it Innovation in all three aspects simultaneously may be difficult to achieve but all who have a responsibility for education are faced with the challenges of making their teaching more effective and demonstrating that they have done so keeping abreast of advancing knowledge and clinical practice and of reaching out to groups of learners who hitherto have been neglected Of significant help to anyone in this field whose concern is the delivery of effective and appropriate education Nigel Sykes in the Foreword

Palliative Care Jean Lugton, Rosemary McIntyre, 2006-01-04 This title is directed primarily towards health care professionals outside of the United States Palliative Care The Nursing Role is an introductory text for nurses and other health care professionals who deliver palliative care across a range of settings It lays a clear foundation of knowledge focusing on the needs and perspectives of patients and families who face the challenge of advanced incurable illness The style is highly accessible yet challenges readers to analyze key issues that present within palliative care Covering the wide range of care provision in hospices hospitals and patients homes the book draws widely from practice based examples to explain and expand upon theoretical issues Research evidence underpins each of the chapters Guided activities encourage readers to reflect in a focused way on their clinical experience and current practice This new edition has been fully updated

to reflect ongoing developments and shifting trends in palliative care education and practice It will suit the needs of both pre and post qualifying students seeking to develop their knowledge and is well suited to practitioners working within either generalist or specialist palliative care settings or within acute or community settings as well as those studying a range of palliative care educational curricula The authors have a wide range of experience in palliative care and all are actively engaged in practice and or education A clear broad based approach offers a thorough introduction for the non specialist nurse Written and edited by an experienced team of nurses working in this field grounding it in current practice Learning outcomes listed at the start of each chapter aid learning and comprehension Reflective practice activities and an outline of CPD is especially useful for students working independently Case histories recommended reading lists and references provide a solid evidence base for clinically based practice and facilitate further study Thoroughly revised and updated to reflect changes in policy direction A new chapter on pain and symptom management Revised content reflects the recent shift in the evidence base concerning spirituality Includes psychosocial issues of loss for the patient their family and careers

Oxford Textbook of Palliative Medicine Nathan Cherny,Marie Fallon,Stein Kaasa,Russell K. Portenoy,David C. Currow,2015-04-30 The definitive Oxford Textbook of Palliative Medicine now in its fifth edition has again been thoroughly updated to offer a truly global perspective in this field of extraordinary talent and thoughtfulness Updated to include new sections devoted to assessment tools care of patients with cancer and the management of issues in the very young and the very old this leading textbook covers all the new and emerging topics since its original publication in 1993 In addition the multi disciplinary nature of palliative care is emphasized throughout the book covering areas from ethical and communication issues the treatment of symptoms and the management of pain This fifth edition of the Oxford Textbook of Palliative Medicine is dedicated to the memory of Professor Geoffrey Hanks pioneer in the field of palliative medicine and co editor of the previous four editions Winner in the Medicine category of the British Medical Association Book Awards this is a truly comprehensive text no hospital hospice palliative care service or medical library should be without this essential source of information

Adult-Gerontology Practice Guidelines Jill C. Cash,Cheryl A. Glass,2015-06-26 Print CourseSmart

Teaching Palliative Care A Practical Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Teaching Palliative Care A Practical Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Teaching Palliative Care A Practical Guide has opened up a world of possibilities. Downloading Teaching Palliative Care A Practical Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Teaching Palliative Care A Practical Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Teaching Palliative Care A Practical Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Teaching Palliative Care A Practical Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Teaching Palliative Care A Practical Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Teaching Palliative Care A Practical Guide has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Teaching Palliative Care A Practical Guide Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Teaching Palliative Care A Practical Guide is one of the best book in our library for free trial. We provide copy of Teaching Palliative Care A Practical Guide in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Teaching Palliative Care A Practical Guide. Where to download Teaching Palliative Care A Practical Guide online for free? Are you looking for Teaching Palliative Care A Practical Guide PDF? This is definitely going to save you time and cash in something you should think about.
