Teaching With Discipline:

Tools for Teaching Fredric H. Jones, Patrick Jones, Jo Lynne Talbott Jones, 2007 This extended special edition of Mark Lewisohn's magisterial book *Let It Be* is a true collector's item featuring hundreds of thousands of words of extra material as well as many extra photographs. It is the complete uncut and definitive biography of the Beatles' early years from their family backgrounds through to the moment they're on the cusp of their immense breakthrough at the end of 1962. Designed, printed and bound in Great Britain, this high quality edition consists of two beautifully produced individual hardbacks printed on New Langely Antique Wove woodfree paper with red and white head and tail bands and red ribbon marker. The two books will sit within a specially designed box and lid featuring soft touch and varnish finishes. The whole product comes shrinkwrapped for extra protection. Mark Lewisohn's biography is the first true and accurate account of the Beatles' contextual history built upon impeccable research and written with energy, style, objectivity and insight. This extended special edition is for anyone who wishes to own the complete story in all its stunning and extraordinary detail. This is genuinely and without question the lasting word from the world acknowledged authority.

Rules in School Kathryn Brady, Mary Beth Forton, Deborah Porter, 2011 Join the thousands of teachers in schools nationwide who have used this positive approach to discipline to establish calm, safe classrooms in which students can do their best learning. The approach to discipline presented in this book helps children develop self control, understand how positive behavior looks and sounds and come to value such behavior. With many examples from their own classrooms, three experienced teachers offer practical techniques to help you establish clear expectations for behavior from day one, teach students how to articulate their learning goals, create classroom rules that connect to those goals, use techniques such as Interactive Modeling to teach positive behavior, reinforce positive behavior with supportive teacher language and quickly stop misbehavior and restore positive behavior so that children retain their dignity and continue learning.
