Teaching With Documents Using Primary Sources From The National Archives:

Teaching with Documents Wynell B. Comp Schamel, 1998 This collection of primary source materials from the National Archives and Records Administration Washington DC humanizes history so that it is real and personal to students Intended for secondary school history teachers the collection provides primary source documents reports maps photographs letters diaries posters and recordings created by those who participated in or witnessed the events of the past This teaching method exposes students to important historical concepts Through analysis of primary sources students confront two essential facts of historical work 1 the record of historical events reflects the personal social political or economic views of the participants who created the sources and 2 students bring to the study of the sources their own biases created by their own personal situations and their social living environments A benefit of using the primary sources collection is the development of broad cognitive and analytical skills This second volume of the collection compiles 43 articles The articles were published in Social Education from 1989 to 1998 and similar articles were published in the Organization of American Historians Magazine of History The Roger Williams Report Heritage Education Quarterly and Social Studies and the Young Learner Appended are charts listing types of documents disciplines and subject areas themes and materials which connect with the National Standards for U S History National Standards for World History and National Standards for Civics and Government BT

Teaching with Documents United States. National Archives and Records Administration, 1989 Guide for social studies teachers in using primary sources particularly those available from the National Archives to teach history **The Educator's Handbook for Teaching with Primary Sources** Scott M. Waring, 2023 Educators across subject areas are striving to integrate primary sources into their pedagogy and teaching Yet despite their importance to authentic disciplined inquiry the implementation of primary source activities in the pre K 12 classroom has been limited This lack of utilization can largely be attributed to the perception that these activities are too complex to design implement and grade Many teachers also feel that primary source analysis and the construction of evidence based narratives is too difficult for students to complete in the traditional classroom Waring argues that this is not the case and with this handbook provides teacher candidates and inservice teachers with detailed and specific perspectives activities approaches and resources to help them effectively and authentically use primary sources in their classrooms Book Features Introduces teaching with primary sources including detailed examples of authentic and tested instructional ideas and approaches Designed to meet the needs of classroom teachers and teacher candidates in social studies English and language arts mathematics science and other fields Offers dozens of primary sources and links to resources throughout the book Aligns to national standards frameworks and the C3 framework for social studies Can be used to meet the needs of emerging English learners and students with special needs Focuses on ways in which educators are utilizing a variety of emerging technologies to engage students in deeper and more authentic ways of learning Teaching With Primary Sources for Cultural Understanding, Civic

Mindedness, and Democracy Scott M. Waring, 2024 This resource has been developed for Pre K 20 educators in order to help students use primary sources to go beyond simple acquisition of content knowledge and rote memorization The procedures and approaches outlined in this book are designed to be used with Pre K 20 students to help them use primary sources in discipline and inquiry based ways to develop and enhance understandings for cultural understanding civic mindedness and democracy Expert authors demonstrate how the skills students learn through this process can be applied to their everyday life and allow them to think critically about the world around them better understand various cultures communicate their understandings effectively and enhance their democratic values Grounded in the National Council for the Social Studies C3 Framework topics include social emotional learning inclusion higher order thinking civic agency project based learning democracy building across cultures teaching about war enacting change through intentional civic engagement and systemic racism in the United States Book Features Chapters by leading experts in the areas of civic education and teaching with primary sources Guidance for supporting multilingual learners and students with disabilities Detailed examples of classroom tested instructional ideas and approaches from educators teaching with primary sources in Pre K 20 classrooms Primary sources and links to resources throughout the book
