the nations from Jerusalem for 1 000 years Why does the Bible say God s people live in New Jerusalem on earth after the Millennium for eternity don t believers live in heaven If hell is a literal place then why is it called the Second Death eternal death twice in the Bible And what do God s people do during eternity anyway To get to the heart of the Bible s meaning one must determine the plain meaning of the text the meaning which the original author intended When reading the Bible one must be very careful not to take verses out of context and apply them to one s own predetermined set of beliefs We simply cannot make the Bible mean anything that pleases us and then give the Holy Spirit the credit for it So get ready to take a comprehensive and fascinating journey through Scripture *Planning Small Groups with Purpose* Steve Gladen,2018-07-03

Lewis,David Irby,William Galipault,Wayne Rasmussen,2023-03-22

The hope of the Gospel is a universal message and sports are arguably the universal language Sharing the former through the latter is a powerful combination for changing lives For students with a heart for both the field of sports ministry presents an idyllic career opportunity Until now there has never been a college textbook devoted to sports ministry With the arrival of Sports Ministry college and university instructors have a dedicated text for educating students on the how to process of developing viable sports ministry programs that share the Word and positively influence the world in which we live Chapters dedicated to fiscal responsibility facility management and legal matters educate students on the corporate aspects of running a sports ministry program while discussions centering on the intersection of sports and faith compel students to contemplate positive and negative aspects of competition whether competitive sport is compatible with faith and ethical behavior in sport In addition students will gain a historical perspective of the sports ministry movement and be introduced to many sports ministries serving today at the local regional national and international levels With Sports Ministry students will gain the knowledge and tools to share their faith and offer hope to others through the universal language of sport Ancillaries for adopting instructors are available online **Soul Whisperer** Gary Comer,2013-02-19

What if we changed the face of evangelism In a time when so many have a negative perception of evangelism what if a new model was entirely biblical loaded with skills and more effective Soul Whisperer shifts the emphasis from telling to a drawing paradigm It develops biblically the pattern of Jesus who did not give static presentations but rather customized his words to

each hearer By learning his ways our words too can have pinpointed impact Christians will discover how to draw out first in order to read their friends and discern the relevant appeal of the gospel In this way the style is far more dynamic It adapts Understanding the non believer s unique starting point will determine a distinct path By creating a conversation about spiritual influence and what is involved in faith formation this book charts ways for Christians to go deeper in evangelistic relationships Most importantly Soul Whisperer infuses skills that will shape a more Christ likened missional disciple **The Journey of Following Jesus** Ronald Squibb, Daniel McNaughton, 2022-09-01 THE JOURNEY OF FOLLOWING JESUS will help you develop the seven essential attributes of a disciple of Jesus Christ By reading the Scripture passages answering the questions applying the attributes to your life and sharing your journey with a spiritual coach you will learn how to become a fully devoted follower of Jesus *LIVING THE LAST WORDS OF JESUS ("YOU SHALL BE MY WITNESSES")* Michael Bussen, 2023-10-13 Living the last words of Jesus is about essential effective and easy or at least easier evangelism for every Christian including us introverts This book seeks to help followers of Jesus become ongoingly good and faithful and fruitful witnesses for Jesus making Him and all in heaven happier and happier as in Luke 15 Also reaching more and more lost souls will bring eternal joys to them and more happiness to you as well as we enter into the joyful heavenly rewards of our wonderful Savior God So hopefully this book helps to make everybody it touches happier especially the Lord **Come Early, Stay Late** Dr. Jay Slife, 2024-06-05 Within the divine plan for humanity which is the Kingdom of God everybody who calls on the name of Jesus has a place Everyone has a part a responsibility an importance in His Kingdom waiting for them to discover and walk out This truth when engaged and followed brings purpose and value to you It gives precise definition to who you are according to the Lord and King of it all It is powerful and will become your lifeblood All this happens in a healthy small group in someone s living room that never could and never does happen on a Sunday morning I am writing this book for two reasons One has to do with the burden to disciple those who know Jesus to the deepest level possible and help them give that away to others so that they too may get the message of Jesus and live it out The other reason is to help leaders at any level to make the shift the transition to the New Testament pattern of ministry which is clearly small group ministry This book is about small groups about effective and life giving leadership and ministry in that context But it is also about helping good people who are stuck in a system they did not create They just got stuck in it somewhere along the way And now they don t know what or where they are and most of all who they are I get it because I ve been through it I thought it was the right way I was taught it was the right way There are answers from Scripture from the Teacher Yet the problem seems to continue to worsen Let s change that Let s learn to get much closer to the Creator and align with him as he changes that *The Naked Truth about Small Group Ministry* Randall G. Neighbour, 2009-06-08 Tired of reading books by pastors of large churches who could put a stick in the mud and it would grow a fruit bearing tree in a week Exhausted with doing ministry the same way expecting different results Exasperated by the lack of ownership among the members of your existing

groups Then this book is for you Pulling no punches Neighbour diagnoses the problems surrounding small group and cell group ministry in America today offering practical suggestions that work **Small Groups with Purpose** Steve Gladen,2011-06-01 Over the past fifteen years small groups have become a vital way to build community in large churches Nowhere has this been more apparent than at Saddleback Church Now Steve Gladen pastor of small groups at Saddleback shares the secrets of that ministry s incredible success in creating small groups with purpose This practical book walks church leaders through the questions they need to answer to develop their own intentional small group strategy Built around the most commonly asked questions Small Groups with Purpose outlines the step by step process of creating a successful small group ministry Because it is built upon principles and not methods this plan can be implemented in any size church Each chapter ends with a list of questions for readers to answer to help them assess their current situation and their desires for the future Personal stories Scripture and examples ground the discussion and show the system in action Pastors and small group leaders will find this book instrumental in making small groups work in their churches Indivisible James Robison,Jay W. Richards,2012-02-20 Many books have been written on conservative politics Many more have been written calling Christians to holiness and spiritual revival Few however have managed to combine a clear explanation of the conservative political perspective with its corresponding personal and spiritual virtue In INDIVISIBLE James Robison the founder and president of LIFE Outreach International partners with Jay Richards Ph D a writer who has appeared in both the New York Times and The Washington Post Together they tackle tough controversial political issues facing conservative Christians today including abortion stem cell research education economics health care the environment judicial activism marriage and others Written to appeal to a broad spectrum of believers INDIVISIBLE not only argues political questions from a Scriptural standpoint it also provides simple arguments that Christians can use to support their beliefs in public settings Most significantly Robison and Richards recognize that the point of origin for spiritual and moral transformation is the individual We are convinced by historical precedent that long term cultural change requires not merely sound thinking and public good works but rather God s spiritual and moral transformation of us as individuals which will then transform our churches our communities our culture and ultimately our politics James Robison is the founder and president of LIFE Outreach International a worldwide Christian relief organization He is also the host of LIFE Today a daily syndicated television program that reaches 300 million homes in the U S Canada Europe and Australia He is the author of many books including The Absolutes True Prosperity and Living in Love and has spoken to millions of people through evangelistic crusades since entering public ministry in 1962 Jay W Richards Ph D is a Senior Fellow at the Discovery Institute and the author of many books including the award winning Money Greed and God and The Privileged Planet He is the executive director of the documentaries The Call of the Entrepreneur and The Birth of Freedom He has been featured in the New York Times and the Washington Post and has appeared on Larry King Live He has also lectured on economic myths to members of
