Technical Difficulties African American:

Human Behavior in the Social Environment from an African American Perspective Letha A See, 2013-04-03 In *Human Behavior in the Social Environment from an African American Perspective* leading black scholars come together to discuss complex human behavior problems faced by African Americans and to force the abandonment of conceptualization theories made without consideration of the Black experience Challenging you to engage in different thinking and develop new theories for addressing the needs of African Americans this book highlights the assets of black individuals families and communities and guides you through program interventions and public policies that strengthen and empower African Americans You will learn to enhance your clients coping strategies and resilience by factoring in their strengths rather than focusing on their weaknesses *Human Behavior in the Social Environment from an African American Perspective* contextualizes community behavior patterns gender roles and changing contemporary identities to challenge your assumptions about African American culture and communities and convince you to rethink your intervention strategies and methods To further help you fine tune your service delivery this book leads you through discussions on help seeking behaviors of young street males the association of sociocultural risk factors with suicides the use of emotive behavior therapy to help African Americans cope with the prospect of imminent death advocating for changes in institutions and systems which negatively impact the lives of the poor and the oppressed how social work has ignored one segment of the African American community young girls in urban settings psychological consequences of coming of age in a hostile environment Social workers community based groups policymakers and other helping professionals owe it to their clients to shrug off culturally incompetent services and care Using *Human Behavior in the Social Environment from an African American Perspective* as a guide you will learn to redress your programs and policies with a sensitivity to the factors and mechanisms that maximize the buoyancy of disadvantaged groups over various stages of their life development

African American Literature Hans Ostrom, J. David Macey Jr., 2019-11-15 This essential volume provides an overview of and introduction to African American writers and literary periods from their beginnings through the 21st century This compact encyclopedia aimed at students selects the most important authors literary movements and key topics for them to know Entries cover the most influential and highly regarded African American writers including novelists playwrights poets and nonfiction writers The book covers key periods of African American literature such as the Harlem Renaissance the Black Arts Movement and the Civil Rights Era and touches on the influence of the vernacular including blues and hip hop The volume provides historical context for critical viewpoints including feminism social class and racial politics Entries are organized A to Z and provide biographies that focus on the contributions of key literary figures as well as overviews background information and definitions for key subjects

Still Seeking an Attitude Valerie Kinloch, Margret Grebowicz, 2005-07-01 From her activism to her passionate writings June Jordan 1936 2002 is one of the most revered American poets of our time Jordan s

writing simultaneously provokes delight and energy while urging reflection on American society and its injustices In Still Seeking an Attitude the first reflection on her legacy Jordan s life and works are explored in depth and detail focusing on subjects ranging from her use of language and linguistics to her political activism and role in children s literature These critical examinations elucidate the power and poetry of Jordan s words serving as an exciting supplement for those already familiar with Jordan and an excellent guide for anyone discovering her works for the first time **Gay and Lesbian**

Literary Heritage Claude J. Summers,2014-02-25 The revised edition of The Gay and Lesbian LiteraryHeritage is a reader s companion to this impressive body of work It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world New articles in this volume feature authors such as Michael Cunningham Tony Kushner Anne Lister Kate Millet Jan Morris Terrence McNally and Sarah Waters essays on topics such as Comedy of Manners and Autobiography and overviews of Danish Norwegian Philippines and Swedish literatures as well as updated and revised articles and bibliographies **Katie's Canon** Katie Geneva

Cannon,2021-11-23 Katie s Canon is a selection of essays written for a variety of occasions throughout Cannon s celebrated career This new edition contains three additional essays and a new foreword by Emilee Townes The volume weaves together the particularities of Cannon s own history and the oral tradition of African American women African American women s literary traditions and sociocultural and ethical analysis The result is a classic Cannon addresses racism and economics analyses of Zora Neale Hurston as a resource for a constructive ethic the importance of race and gender in the development of a Black liberation ethic womanist preaching in the Black church and slave ideology and biblical interpretation

Qualitative Inquiry Under Fire Norman K Denzin,2017-03-02 This collection of recent works by Norman K Denzin provides a history of the field of qualitative inquiry over the past two decades As perhaps the leading proponent of this style of research Denzin has led the way toward more performative writing toward conceptualizing research in terms of social justice toward inclusion of indigenous voices and toward new models of interpretation and representation In these 13 essays which originally appeared in a wide variety of sources and are edited and updated here the author traces how these changes have transformed qualitative practice in recent years In an era when qualitative inquiry is under fire from conservative governmental and academic bodies he points the way toward the future including a renewed dialogue on paradigmatic pluralism **Modern Peoplehood** John Lie,2004-07-27 Race ethnicity and nation Lie argues are modern notions associated with the rise of the modern state the industrial economy and Enlightenment ideas The state is responsible for the development and nurturing of feelings of belonging associated with ethnic racial and national identity but also for racial and ethnic conflict even genocide **Fighting Words** Patricia Hill Collins,1998 A professor of sociology explores how black

feminist thought confronts the injustices of poverty and white supremacy and argues that those operating outside the mainstream emphasize sociological themes based on assumptions different than those commonly accepted Original UP

I Am a Man! Steve Estes, 2005 The civil rights movement was first and foremost a struggle for racial equality but questions of gender lay deeply embedded within this struggle Steve Estes explores key groups leaders and events in the movement to understand how activists used race a

Using Critical Research for Educational and Social Change Tricia Kress, 2016-04-08 This volume features the works of scholar practitioners who embrace critical pedagogy and critical research as praxis in qualitative research about education The authors take an explicit stance toward social justice through education and they use critical research as a vehicle toward that end The chapters critically engage with topics such as researcher role and position in critical research collaborative research models with teachers and students exploring visual epistemology in schools and with students critical science education and cosmopolitanism and developing praxis within teacher preparation courses and teacher research Contributors push the boundaries of scholarship by presenting nuanced theoretical discussions or critical and timely educational issues via innovative forms of representation i e fiction narratives dialogues rich descriptions and visuals This book was originally published as a special issue of the International Journal of Qualitative Studies in Education

Transformation Now! AnaLouise Keating, 2012-10-30 In this lively thought provoking study AnaLouise Keating writes in the traditions of radical U S women of color feminist womanist thought and queer studies inviting us to transform how we think about identity difference social justice and social change metaphysics reading and teaching Through detailed investigations of women of color theories and writings indigenous thought and her own personal and pedagogical experiences Keating develops transformative modes of engagement that move through oppositional approaches to embrace interconnectivity as a framework for identity formation theorizing social change and the possibility of planetary citizenship Speaking to many dimensions of contemporary scholarship activism and social justice work Transformation Now calls for and enacts innovative radically inclusionary ways of reading teaching and communicating

Black Women, Writing and Identity Carole Boyce-Davies, 2002-09-11 Black Women Writing and Identity is an exciting work by one of the most imaginative and acute writers around The book explores a complex and fascinating set of interrelated issues establishing the significance of such wide ranging subjects as re mapping re naming and cultural crossings tourist ideologies and playful world travelling gender heritage and identity African women s writing and resistance to domination marginality effacement and decentering gender language and the politics of location Carole Boyce Davies is at the forefront of attempts to broaden the discourse surrounding the representation of and by black women and women of colour Black Women Writing and Identity represents an extraordinary achievement in this field taking our understanding of identity location and representation to new levels

Women Take Care Katie Hogan, 2018-08-06 Self sacrificing mothers and forgiving wives caretaking lesbians and vigilant maternal surrogates these good women are all familiar figures in the

visual and print culture relating to AIDS In a probing critique of that culture Katie Hogan demonstrates ways in which literary and popular works use the classic image of the nurturing female to render queer AIDS more acceptable while consigning women to conventional roles and reinforcing the idea that everyone with this disease is somehow suspect In times of crisis the figure of the idealized woman who is modest and selfless has repeatedly surfaced in Western culture as a balm and a source of comfort and as a means of mediating controversial issues Drawing on examples from journalism medical discourse fiction drama film television and documentaries Hogan describes how texts on AIDS reproduce this historically entrenched paradigm of sacrifice and care a paradigm that reinforces biases about race and sexuality Hogan believes that the growing nostalgia for women s traditional roles has deflected attention away from women s own health needs Throughout her book she depicts caretaking as a fundamental human obligation but one that currently falls primarily to those members of society with the least power Only by rejecting the stereotype of the good woman she says can Americans begin to view caretaking as the responsibility of the entire society

Transformative Social Work Jan Fook, Danielle Jatlow, 2024-02-27

Transformative approaches to social work have been popular for some time Most discussions of this perspective however focus on actual practice with clients or service users not educational contexts In addition there is often a lack of clarity about what transformative really means both in theory and in practice This book brings together a range of contributors to reconsider transformative social work focusing on concrete examples in academic settings both inside and outside the classroom They illustrate theories and practices of transformative social work in the academy in detail from different standpoints Chapters by scholars at all career stages students staff and managers consider all aspects of academic work teaching and learning research and administration as well as labor that academics perform outside the university Authors describe their understanding of a transformative perspective as well as the practices that flow from this conception providing rich detail on how a transformative approach can be implemented This book stands out for the breadth of its focus its international contributions and its openness about the new challenges involved in doing transformative work today It develops an expansive and systematic understanding of what transformative can mean across the entire academic and professional context of social work education

Mulattas and Mestizas Suzanne Bost, 2010-02-25

In this broadly conceived exploration of how people represent identity in the Americas Suzanne Bost argues that mixture has been central to the definition of race in the United States Mexico and the Caribbean since the nineteenth century Her study is particularly relevant in an era that promotes mixed race musicians actors sports heroes and supermodels as icons of a new America Bost challenges the popular media s notion that a new millennium has ushered in a radical transformation of American ethnicity in fact this paradigm of the changing face of America extends throughout American history Working from literary and historical accounts of mulattas mestizas and creoles Bost analyzes a tradition dating from the nineteenth century of theorizing identity in terms of racial and sexual mixture By examining racial politics in Mexico and the United States racially mixed female

characters in Anglo American African American and Latina narratives and ideas of mixture in the Caribbean she ultimately reveals how the fascination with mixture often corresponds to racial segregation sciences of purity and white supremacy The racism at the foundation of many nineteenth century writings encourages Bost to examine more closely the subtexts of contemporary writings on the browning of America Original and ambitious in scope Mulattas and Mestizas measures contemporary representations of mixed race identity in the United States against the history of mixed race identity in the Americas It warns us to be cautious of the current millennial celebration of mixture in popular culture and identity studies which may contrary to all appearances mask persistent racism and nostalgia for purity *June Jordan* Valerie

Kinloch,2006-06-30 June Jordan was born on July 9 1936 in Harlem New York to Mildred and Granville Jordan Jamaican natives During her life she became one of the most prolific important and influential African American writers of her time Before her death from breast cancer in 2002 Jordan published more than 27 books including *Some of Us Did Not Die Solider A Poet s Childhood Poetry for the People Finding a Voice through Verse Haruko Love Poems and Naming Our Destiny* Her work *Civil Wars* a collection of letters and essays addressed such topics as violence homosexuality race and black feminism Working in many genres and touching on many themes and issues Jordan was a powerful force in American literature This biography reveals the woman the writer the poet the activist the leader and the educator in all her complexity Working in many genres and touching on many themes and issues June Jordan was a powerful force in American literature This biography reveals the woman the writer the speaker the poet the activist the leader and the educator in all her complexity June Jordan was born on July 9 1936 in Harlem New York to Mildred and Granville Jordan Jamaican natives During her life she became one of the most prolific important and influential African American writers of her time Before her death from breast cancer in 2002 Jordan published more than 27 books including *Some of Us Did Not Die Solider A Poet s Childhood Poetry for the People Finding a Voice through Verse Haruko Love Poems and Naming Our Destiny* Her work *Civil Wars* a collection of letters and essays addressed such topics as violence homosexuality race and black feminism Kinloch offers a life and letters of this prolific writer delving into both her biography and her contributions as a writer and activist This approach unveils the power of language in Jordan s poems essays speeches books and ultimately in her own life as she challenged political systems of injustice racism and sexism Kinloch examines questions surrounding the pain of writing the anger of oppression and the struggle of African American women to assert their voices Attention is paid to the ways in which Jordan s life informed her writings her perspectives and her contributions to the global landscape of class race and gender issues The writer s major works are explored in detail as Kinloch weaves discussions of her life into critical considerations of her writings Ultimately this portrait illustrates the ways in which Jordan s career represented her dedication to making words work her ability to rally and revolutionize the spirit of people invested in decolonization love and freedom and her responsiveness to the world in which she lived **Democracy in Contemporary U.S. Women's Poetry** N.

Marsh,2007-10-01 This book reads the work of contemporary women poets against recent debates in third wave feminism and democratic theory in exploring the range of ways in which women poets have interrogated the complexities of being public in contemporary U S culture Emerging Afrikan Survivals Kemayo Kamau,2004-08-02 This work sets forth the guidelines for an Afrocentric literary theory and goes on to apply that theory to three novels Invisible Man Song of Solomon and The Chaneyville Incident *Selling Welfare Reform* Frank Ridzi,2009-04 The 1996 Welfare Reform Act promised to end welfare as we knew it In *Selling Welfare Reform* Frank Ridzi uses rich ethnographic detail to examine how new welfare to work policies time limits and citizenship documentation radically changed welfare revealing what really goes on at the front lines of the reformed welfare system *Selling Welfare Reform* chronicles how entrepreneurial efforts ranging from front line caseworkers to high level administrators set the pace for restructuring a resistant bureaucracy At the heart of this remarkable institutional transformation is a market centered approach to human services that re framed the definition of success to include diversion from the present system de emphasis of legal protections and behavioral conditioning of poor parents to accommodate employers Ridzi draws a compelling portrait of how welfare staff and their clients negotiate the complexities of the low wage labor market in an age of global competition exposing the realities of how the new common sense of poverty is affecting the lives of poor and vulnerable Americans **What's Wrong With Being Black?** Matthew Ashimolowos,2011-07-28 Thoroughly researched and extensively referenced this highly credible work uses evidence from biblical anthropological historical and ancient literature sources dating as far back as 3 000 years ago to support the facts that People of color have a positive history People of color were the first to give structure and order in society Scripture cites Black role models Current issues such as idolatry and slavery have their roots in the practices of ancestors Color was not used as a segregating tool until 300 years ago Racial equality is a truth Black people have different issues There is nothing wrong with being black I have said all of you are children of the most High Psalm 82 6 Pastor of the largest church in Western Europe Matthew Ashimolowo looks at the glorious past of the Black race and examines uncompromisingly the conformations that have molded Black people His fascinating insight celebrates the rich heritage and confronts today s challenges
