Studi Su Laurence Sterne Ed Ugo Foscolo:

Studi su Laurence Sterne ed Ugo Foscolo Vincenzo Tripodi, 1978 *Ugo Foscolo and English Culture* Sandra Parmegiani, 2017-12-02 The history of the literary relations between Italy and England has its most celebrated early modern representative in Ugo Foscolo 1778 1827 Foscolo's translation of Laurence Sterne's *A Sentimental Journey through France and Italy* is often regarded as the benchmark of his English experience but there is more around and beyond his relationship with Sterne that can be uncovered With over 3 000 letters spanning three decades Foscolo's correspondence represents a unique perspective from which to monitor his literary philosophical and political views The *Epistolario* is also a space in which Foscolo engages with literary philosophical and moral questions and a place where he exercises an often private form of literary criticism These are letters which ultimately produce one of the most complete yet most composite self portraits in the history of modern Italian autobiography In the first comprehensive and historicized reading of Foscolo's correspondence Sandra Parmegiani reveals the rich and complex relations between the Italian writer and the literature philosophy and culture of eighteenth and nineteenth century England The Romantic Movement David V. Erdman, 1982 *Library of Congress Catalogs* Library of Congress, 1980 Textual Exile Sante Matteo, 1985 An author writes with a certain type of reader in mind Determining the identity of this implicit reader serves to reveal a text's strategies and meaning Laurence Sterne's *Sentimental Journey* and Ugo Foscolo's linguistically faithful Italian translation of it have different implicit readers and hence radically different meanings Unlike Sterne who could be relatively confident of the competence of his English readers Foscolo because of the political cultural and linguistic fragmentation of the Italy of his time addressed a reader of uncertain status both in his translation and in his own earlier novel *Le ultime lettere di Jacopo Ortis* These works are characterized by dialogical tensions that revolve around the postulation of different implicit readers Therefore a reader oriented analysis is particularly illuminating in deciphering them Conversely the works themselves constitute an account and an illumination of the importance of the problem of readership in literary criticism **Subject Catalog, 1980** Library of Congress, 1980 **Subject Catalog** Library of Congress, 1980 English Novel Explication Christian J.
