Studies In Early Christianity

Everett Ferguson

Studies In Early Christianity:

Encyclopedia of Early Christianity Everett Ferguson, 2013-10-08 First published in 1997 What's new in the Second Edition Some 250 new entries twenty five percent more than in the first edition plus twenty five new expert contributors Bibliographies are greatly expanded and updated throughout More focus on biblical books and philosophical schools their influence on early Christianity and their use by patristic writers More information about the Jewish and pagan environment of early Christianity Greatly enlarged coverage of the eastern expansion of the faith throughout Asia including persons and literature More extensive treatment of saints monasticism worship practices and modern scholars Greater emphasis on social history and more theme articles More illustrations maps and plans Additional articles on geographical regions Expanded chronological table Also includes maps *The (CUA Studies in Early Christianity) Early Christian Book* William E. Klingshirn, Linda Safran, 2007 From the very beginning Christianity was a religion of books a lived but also a written faith The essays in this collection focus on the ways in which books were produced used treasured and conceptualized in the early Christian centuries AD 100 600 During this crucial period just after the New Testament writings were composed Christianity grew from the religion of a tiny minority in the eastern Roman Empire to the religion of the empire itself and beyond To no small extent this success was based on the power of its books Written by experts in the field the essays in this volume examine the early Christian book from a wide range of disciplines religion art history history Near Eastern studies and classics Topics include theories of the book book production and use books as sacred objects and problems of gender authorship and authority readers into the entire bookish world of early Christianity a world of writing and reading practices of copying and exchanging texts of persuading and debating with books and of representing holiness and power through codices of the law the scriptures and the lives of the saints Essays cover a wide geographical range and discuss texts written all across the Mediterranean world in Greek Latin Coptic Syriac and Hebrew All ancient texts are translated into English some for the first time Intended for general readers students and scholars alike anyone with a serious interest in early Christianity this work brings together exciting currents of new research It also opens up fresh questions and lines of inquiry in the study of this perennially important and fascinating subject An introduction by Philip Rousseau provides a valuable overview followed by essays written by Daniel Boyarin Catherine Burris Catherine Chin Gillian Clark Catherine Conybeare Kim Haines Eitzen Caroline Humfress Chrysi Kotsifou John Lowden Claudia Rapp Daniel Sarefield and Mark Vessey **The Oxford Handbook of Early Christian Studies** Susan Ashbrook Harvey, David G. Hunter, 2008-09-05 The Oxford Handbook of Early Christian Studies responds to and celebrates the explosion of research in this interdisciplinary field over recent decades As a one volume reference work it provides an introduction to the academic study of early Christianity c 100 600 AD and examines the vast geographical area impacted by the early church in western and eastern late antiquity It is thematically arranged to encompass history literature thought practices and material culture It contains authoritative and up to date

surveys of current thinking and research in the various sub specialties of early Christian studies written by leading figures in the discipline The essays orientate readers to a given topic as well as to the trajectory of research developments over the past 30 50 years within the scholarship itself Guidance for future research is also given Each essay points the reader towards relevant forms of extant evidence texts documents or examples of material culture as well as to the appropriate research tools available for the area This volume will be useful to advanced undergraduate and post graduate students as well as to specialists in any area who wish to consult a brief review of the state of the question in a particular area or sub specialty of early Christian studies especially one different from their own **Studies in Early Christianity** François Bovon,2003

Jesus, Sin and Perfection in Early Christianity Jeffrey S. Siker,2015-08-31 The first full length study to trace how early Christians came to view Jesus as sinless this volume presents a taxonomy of sin in early Judaism and examines moments in Jesus life associated with sinfulness It explores the implications of a retrospective faith that elevated Jesus to perfect divinity redefining sin Early Christians Speak Everett Ferguson,1999 *Studies in Early Christianity* ,1993 *Studies in Early Christianity* Shirley Jackson Case,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Recent Studies in Early Christianity Everett Ferguson,1999 *Encyclopedia of Early Christianity* ,1997

Uncover the mysteries within Explore with is enigmatic creation, Discover the Intrigue in **Studies In Early Christianity** . This downloadable ebook, shrouded in suspense, is available in a PDF format (Download in PDF: *). Dive into a world of uncertainty and anticipation.
