Studies In Free Russia

Patt Leonard, Rebecca Routh

Studies In Free Russia:

Free Russia, 1901 *Free Russia* William Hepworth Dixon, 2023-10-27 In William Hepworth Dixon's *Free Russia* readers are taken on a literary journey through Russia during a pivotal period of social and political change Dixon's descriptive and engaging writing style provides a vivid portrayal of the landscape culture and people of Russia in the 19th century Through his detailed narrative Dixon captures the essence of a country on the brink of transformation offering valuable insights into the challenges and opportunities faced by the Russian people This book is a compelling blend of travelogue history and social commentary making it a valuable resource for those interested in Russian literature and culture William Hepworth Dixon a respected journalist and historian drew upon his keen observational skills and firsthand experiences to pen *Free Russia* His deep interest in Russian affairs and his passion for storytelling are evident throughout the book revealing his dedication to presenting an authentic and insightful account of the country Dixon's thorough research and nuanced perspective make *Free Russia* an invaluable contribution to the study of Russian history and society I highly recommend *Free Russia* to readers seeking a nuanced understanding of Russia's past and present Dixon's compelling narrative and thoughtful analysis offer a unique glimpse into a pivotal moment in Russian history making this book a must read for anyone interested in the country's rich cultural heritage and complex social dynamics *Russian/Soviet Studies in the United States, Amerikanistika in Russia* Ivan Kurilla, Victoria I. Zhuravleva, 2015-12-09 The contributors in this interdisciplinary collection address the problem of interconnection between the study of the Other either Russian or American and the shaping of national identities in the two countries at different stages of US Russian relations The focus of research interests were typically determined by the political and social debates in scholars' native countries In this book leading Russian and American scholars analyze the problems arising from these intersections of academic political and sociocultural contexts and the implicit biases they entail The book is divided into two parts the first being a historical overview of past configurations of the interrelationship between fields and agendas and the second covering the role of institutionalized area studies in the twentieth and early twenty-first centuries In both parts the role of the human factor in the study of mutual representations is elucidating *Russomania* Rebecca Beasley, 2020-03-31 *Russomania* Russian Culture and the Creation of British Modernism provides a new account of modernist literature's emergence in Britain British writers played a central role in the dissemination of Russian literature and culture during the early twentieth century and their writing was transformed by the encounter This study restores the thick history of that moment by analyzing networks of dissemination and reception to recover the role of neglected as well as canonical figures and institutions as well as individuals The dominant account of British modernism privileges a Francophile genealogy but the turn of the century debate about the future of British writing was a triangular debate a debate not only between French and English models but between French English and Russian models Francophile modernists associated Russian literature especially the Tolstoyan

novel with an uncritical immersion in life at the expense of a mastery of style and while individual works might be admired Russian literature as a whole was represented as a dangerous model for British writing This supposed danger was closely bound up with the politics of the period and this book investigates how Russian culture was deployed in the close relationships between writers editors and politicians who made up the early twentieth century intellectual class the British intelligentsia Russomania argues that the most significant impact of Russian culture is not to be found in stylistic borrowings between canonical authors but in the shaping of the major intellectual questions of the period the relation between language and action writer and audience and the work of art and lived experience The resulting account brings an occluded genealogy of early modernism to the fore with a different arrangement of protagonists different critical values and stronger lines of connection to the realist experiments of the Victorian past and the anti formalism and revived romanticism of the 1930s and 1940s future

Free Russia William Hepworth Dixon,1870 **Studies in Economics and Russia** Alec Nove,1990-06-18

A collection of papers reflecting a wide range of thought from the history of Russian economic thought to the possible ramifications of changes in contemporary Soviet economic policy with respect to the problems created by a functioning capitalist style market Storia della storiografia ,2009 **The American Bibliography of Slavic and East European Studies for 1994** Patt Leonard,Rebecca Routh,1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs Studies in Free Russia Franco Venturi,1982 **Vladimir Burtsev and the Struggle for a Free Russia** Robert Henderson,2017-06-01 Vladimir Burtsev and the Struggle for a Free Russia examines the life of the journalist historian and revolutionary Vladimir Burtsev The book analyses his struggle to help liberate the Russian people from tsarist oppression in the latter half of the 19th century before going on to discuss his opposition to Bolshevism following the Russian Revolution of 1917 Robert Henderson traces Burtsev s political development during this time and explores his movements in Paris and London at different stages in an absorbing account of an extraordinary life At all times Vladimir Burtsev and the Struggle for Free Russia sets Burtsev s life in the wider context of Russian and European history of the period It uses Burtsev as a means to discuss topics such as European police collaboration European prison systems international diplomatic relations of the time and Russia s relationship with Europe specifically Extensive original archival research and previously untranslated Russian source material is also incorporated throughout the text This is an important study for all historians of modern Russia and the Russian Revolution
