Studies In Religious Poetry Of The Seventeenth Century:

Studies in Religious Poetry of the Seventeenth Century William Lamplough Doughty,1990 **Studies in Religious Poetry of the Seventeenth Century** W. L. Doughty,2017-05-03 Hence these studies are analytical and descriptive rather than critical I have tried to let the writers speak for themselves venturing from time to time to interrupt their monologue and the reader is invited to do the same From the Preface **Studies in Religious Poetry of the Seventeenth Century** William L. Doughty,1946 *Studies in Religious Poetry of the Seventeenth Century, by W. L. Doughty* William Lamplough Doughty,1969 Doctrine and Devotion in Seventeenth-century Poetry R. V. Young,2000 English devotional poets of 17c set in a wider European and Catholic context **English Poetry of the Seventeenth Century** George Parfitt,2014-09-19 Provides a comprehensive and entertaining account of the vitality and variety of achievement in seventeenth century English poetry Revised and up dated throughout Dr Parfitt has added new material on poets as varied as Marvell and Traherne There is also a completely new chapter on women poets of the seventeenth century which considers the significant contributions of writers such as Katherine Philips and Margaret Cavendish The proven quality and success of Dr Parfitt s survey makes this the essential companion for the teacher and student of seventeenth century verse **The New Cambridge Bibliography of English Literature: Volume 1, 600-1660** George Watson,Ian Roy Willison,1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries The Variorum Edition of the Poetry of John Donne, Volume 7, Part 1 John Donne,Gary A. Stringer,Paul A. Parrish,2005-12-01 Praise for previous volumes This variorum edition will be the basis of all future Donne scholarship Chronique This is the 4th volume of The Variorum Edition of the Poetry of John Donne to appear This volume presents a newly edited critical text of the Holy Sonnets and a comprehensive digest of the critical scholarly commentary on them from Donne s time through 1995 The editors identify and print both an earlier and a revised authorial sequence of sonnets as well as presenting the scribal collection which contains unique authorial versions of several of the sonnets inscribed by Donne s friend Rowland Woodward in the Westmoreland manuscript **Protestant Poetics and the Seventeenth-Century Religious Lyric** Barbara Kiefer Lewalski,2014-07-14 Barbara Lewalski argues that the Protestant emphasis on the Bible as requiring philological and literary analysis fostered a fully developed theory of biblical aesthetics defining both poetic art and spiritual truth Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books

from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **New Perspectives on the Life and Art of Richard Crashaw** John Richard Roberts, 1990 A collection of ten original critical and historical essays on the life and art of Crashaw 1612-13-1649 one of the most neglected misunderstood and unappreciated of the major metaphysical poets The introduction surveys the history of Crashavian criticism and signals new directions for future scholarship Annotation copyrighted by Book News Inc Portland OR
