A NavPress Bible Study on the Book of 2 Corinthians The Navigators,2018-12-04 LIFECHANGE Bible studies allow the Bible to speak for itself You'll see for yourself what it says not what someone else thinks it says and develop the skills and desire to dig even deeper into God's Word Meaning and Truth in Second Corinthians Frances M. Young,David F. Ford,2008-02-01 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul's authority then and now and the importance of what he says about God To conclude the authors provide their own vivid and compelling translation of Paul's words inviting a complete rereading of the letter in the light of all that has gone before

Renewal Through Sufferings A. E. Harvey,1996-01-01 A fascinating new approach to 2 Corinthians in the light of Paul's experience of facing death
