Studies On The Population Of China 1368 1953:

Studies on the Population of China, 1368-1953 Bingdi He, 1959 **Studies on the Population of China** Ping-Ti Ho, 1974 **Studies on the Population of China, 1368-1953** Donald Howard Menzel, 1959 **Studies on the Population of China, 1368-1953** Ping-Ti Ho, 1967 **China: A History** Harold Miles Tanner, 2009-03-13 A deep and rigorous yet eminently accessible introduction to the political social and cultural development of imperial Chinese civilisation this volume develops a number of important themes such as the ethnic diversity of the early empires that other editions omit entirely or discuss only minimally Includes a general introduction chronology bibliography illustrations maps and an index

A Concise History of China's Population Jianxiong Ge, 2023-11-24 This book provides a comprehensive overview and explanation of China's population analyzing its special characteristics and patterns of growth over the past 2 000 years Topics include its composition distribution migration and deep analysis into China's historical population The author aims to answer complicated questions such as how China's population was formed when China started its earliest population surveys how China's population migrated and was distributed historically and how existing population data should be evaluated and used now In addition the author explores the influence of natural and human caused disasters censuses tax policies and economic development on China's population changes The work also offers a span of rich historical detail related to population control The book will be a great read to students and scholars of population studies Chinese studies ethnology and those who are interested in Chinese history archaeology geography and sociology The Cambridge Economic History of China: Volume 1, To 1800 Debin Ma, Richard von Glahn, 2022-02-24 China's rise as the world's second largest economy surely is the most dramatic development in the global economy since the year 2000 But China's prominence in the global economy is hardly new Since 500 BCE a dynamic market economy and the establishment of an enduring imperial state fostered precocious economic growth Yet Chinese society and government featured distinctive institutions that generated unique patterns of economic development The six chapters of Part I of this volume trace the forms of livelihood organization of production and exchange the role of the state in economic development the evolution of market institutions and the emergence of trans Eurasian trade from antiquity to 1000 CE Part II in twelve thematic chapters spans the late imperial period from 1000 to 1800 and surveys diverse fields of economic history including environment demography rural and urban development factor markets law money finance philosophy political economy foreign trade human capital and living standards **The Economy of Communist China, 1949-1969** Chu-yuan Cheng, 2020-08-06 Economic development in mainland China during the first two decades of Communist control provides a typical example for the difficult task to transform a vast underdeveloped agrarian economy into a modern industrial one In the first half of this period a series of massive transformations of social and economic institutions was accompanied by a drafted industrialization program the result was an impressive speed up in economic growth The second decade witnessed an economic crisis 1960 62 and a

political upheaval 1966-68. These disruptions marred the economic performance over the period as a whole. Consequently, the long-term growth rate appears to have been only moderate. The *Economy of Communist China* reviews selected aspects of the economy. After examining the development strategy, it analyzes the quantitative trends and the structural changes. The book goes on to analyze the key factors contributing to the earlier growth and the elements responsible for the later disruption and finally assesses the impact of the Cultural Revolution on the Chinese economy and the prospects of the current Third Five Year Plan. The text includes a bibliography of selected materials on Chinese economic development. **Perspectives**

On Development In Mainland China King-yuh Chang, 2019-05-28. The contributors to this book explore a variety of issues concerned with mainland China's political processes, military structure, and economic development, among them changes in both the ideological superstructure and the organizational base of Chinese politics, the problem of succession, military strategies, and civil-military relations. The use of External Research United States, Department of State, External Research Division,
