

CONTEXTS

The circumstances and setting that provide background information about an event, statement, or idea. The context helps you more fully understand something.

SOCIAL

Social contexts are all about society and what you need to know about your society in any situation. Society has rules around behavior and interaction.

HISTORICAL

Historical contexts are all about what was unique or specific about a certain time in history. This can include cultural and social contexts that are now in the past.

CULTURAL

Cultural contexts are all about understanding cultural expectations and norms. It is different from social context because it's specific to a culture's or subculture's values, not the values of your society as a whole.

ECONOMIC

Economic contexts describe what you need to know about the economics of a situation. For example, a company trying to expand to a new country will want to know the rules of business and supply chain quality to see if they will succeed.

The Routledge Research Companion to Johann Sebastian Bach Robin Leaver, 2016-11-25 The Ashgate Research Companion to Johann Sebastian Bach provides an indispensable introduction to the Bach research of the past thirty fifty years It is not a lexicon providing information on all the major aspects of Bach s life and work such as the Oxford Composer Companion J S Bach Nor is it an entry level research tool aimed at those making a beginning of such studies The valuable essays presented here are designed for the next level of Bach research and are aimed at masters and doctoral students as well as others interested in coming to terms with the current state of Bach research Each author covers three aspects within their specific subject area firstly to describe the results of research over the past thirty fifty years concentrating on the most significant and controversial such as the debate over Smend s NBA edition of the B minor Mass Blume s conclusions with regard to Bach s religion in the wake of the new chronology Rifkin s one to a vocal part interpretation the rediscovery of the Berlin Singakademie manuscripts in Kiev the discovery of hitherto unknown manuscripts and documents and the re evaluation of previously known sources Secondly each author provides a critical analysis of current research being undertaken that is exploring new aspects reinterpreting earlier assumptions and or opening up new methodologies For example Martin W B Jarvis has suggested that Anna Magdalena Bach composed the cello suites and contributed to other works of her husband another controversial hypothesis whose newly proposed forensic methodology requires investigation On the other hand research into Bach s knowledge of the Lutheran chorale tradition is currently underway which is likely to shed more light on the composer s choices and usage of this tradition Thirdly each author identifies areas that are still in need of investigation and research

Encyclopedia of Religious and Spiritual Development Elizabeth M. Dowling, W. George Scarlett, 2006 Focuses on the developmental process of religion and spirituality across the human life span This encyclopedia joins a recent trend in research and scholarship aimed at better understanding the similarities and differences between world religions and spiritualities between expressions of the divine and between experiences of the transcendent

The Yale Law School Guide to Research in American Legal History John B. Nann, Morris L. Cohen, 2018-06-19 The study of legal history has a broad application that extends well beyond the interests of legal historians An attorney arguing a case today may need to cite cases that are decades or even centuries old and historians studying political or cultural history often encounter legal issues that affect their main subjects Both groups need to understand the laws and legal practices of past eras This essential reference is intended for the many nonspecialists who need to enter this arcane and often tricky area of research
